TAPE 23

1 (Tape #23.)

2 HENRY: How are you doing?

3 STEVE: Not too bad.

4 HENRY: Good. How's he doing?

5 STEVE: He's doing real -- I see he's over  
6 here. He's got his eyes closed. He appears to be  
7 doing well. They're going to take his -- probably the  
8 signs again here very soon.

9 HENRY: Okay.

10 STEVE: But -- and did you find out anything?

11 HENRY: Well, actually I went and I talked to  
12 one of the bosses.

13 STEVE: Yeah.

14 HENRY: We, we don't have a good situation in  
15 that they know specifically what happened.

16 STEVE: They do or don't?

17 HENRY: They do.

18 STEVE: Oh, they do. Okay.

19 HENRY: However --

20 STEVE: Yeah.

21 HENRY: -- as I said to you, you know, they  
22 -- the bosses here are not happy with the, with the  
23 turn of events. They feel that we're in a position  
24 where we went way out on a limb --

25 STEVE: I can see what you're saying before  
you're even going to say it, obviously.

1           HENRY: Yeah. Yeah. That's why I'm saying I  
2 would like to work with you so that we can get -- and  
3 so that I can have a feeling that we're on a good  
4 working relationship. I still feel that way with you  
5 --

6           STEVE: Well, I do, too.

7           HENRY: -- and with David, too. However,  
8 their perception is quite different than my perception.  
9 That is to say --

10          STEVE: I wish that -- you know, I hope -- I  
11 don't know that you're doing that or not, but I wish  
12 you had a speaker phone or a recording that when you  
13 talk to him or to me they could hear what he's saying,  
14 I'm hearing. They can judge of the tone of voice,  
15 material, the subject matter, whatever. But I think  
16 that you would see us to be sincere. I mean, like I  
17 told or I'd tell them, is the program -- nothing's  
18 changed other than that, you know, from the time I've  
19 met him his experience has been one that's been of an  
20 other worldly way where I've not had experiences like  
21 that or I -- nor have I ever known anyone else to have  
22 had that. So, you know, like his every move, it's  
23 always been based upon how he's to be led.

24          HENRY: Right, but --

25          STEVE: So that's, you know, that's where the  
difficulty comes in with not only a situation like this

1 | but, you know, there's been other ones where people  
2 | don't know or understand that or it's something that's  
3 | out of the ordinary to them.

4 |           HENRY: Um-hum. See, but during this entire  
5 | process if we were, we were saying to you or telling  
6 | you that we were going to do one thing and we were  
7 | working, you know, in such a fashion that we were  
8 | starting to trust each other real well, and I asked you  
9 | for something very significant and you said yes, but  
10 | in, in return for that I would like you to do this for  
11 | me, and I would say as soon as you do that for me, I  
12 | will do that for you immediately.

13 |           STEVE: And I -- can I just say one thing?  
14 | Really what it comes down to for him and myself -- this  
15 | is really what it would be for me as to why I'm even  
16 | waiting on him and I know that even if I -- and, by the  
17 | way, I did ask him multiple times and he kept on giving  
18 | me that same answer, "Wait." So it didn't matter how  
19 | many times I asked him.

20 |           HENRY: Um-hum.

21 |           STEVE: But the bottom line for him as why he  
22 | doesn't deviate from that or even myself is because --  
23 | and that's what I don't think you would understand like  
24 | I would or my experience has been. That's fear God. I  
25 | mean, he fears that if he does other than that which  
   | has been given to him, he is in no end of trouble and

1 responsible for many, many individuals, more than those  
2 that are here.

3 HENRY: I understand.

4 STEVE: And like with myself, that's why I  
5 don't push him or anything because the experience I've  
6 had with him is that it's always worked out for the  
7 best.

8 HENRY: I understand.

9 STEVE: So that's -- so, you know, it's like  
10 I'm caught between a hard place and a rock. I  
11 appreciate who you are and what you're -- and you want  
12 to do and there -- and what we've worked up to this  
13 point, but it's like, it's like there has, from your  
14 perspective probably, been a wrench dropped in there.

15 HENRY: That's right.

16 STEVE: And I understand. That's what I'm  
17 saying.

18 HENRY: Because, because we went out on a  
19 limb to get a lot of these things. I mean, do you  
20 understand that we made phone calls --

21 STEVE: I do.

22 HENRY: -- to Phoenix so that we could have  
23 agents go out in the middle of the night to work?

24 STEVE: Yes. Jim told me that ahead of time.

25 HENRY: All these things out. Okay. Now, he  
didn't ask for any of that.

1               STEVE: Right.

2               HENRY: We went because we felt that this was  
3 a legitimate situation --

4               STEVE: I believe that.

5               HENRY: -- where he sincerely believed that  
6 that's what he wanted to do and we didn't -- I mean, we  
7 could have -- we didn't have to tell him that. He  
8 didn't ask for that.

9               STEVE: If this was another situation and  
10 this was not as it was, and another human being did  
11 that for me, I mean, and I would not -- in a position  
12 like this, I -- man, I'd do anything in this world to  
13 encourage that kind of personality or that kind of a  
14 person showing those kind of traits to other human  
15 beings. I mean, there's nothing more commendable.  
16 But, you know, the bottom line is -- you know, I'm  
17 stuck myself. I'm stuck because I believe in the same  
18 God he does and I know no matter what I say to him, he  
19 -- even if I walked away, if I had walked away six  
20 years ago, he says, "Steve, I'm guided by this. This  
21 -- I've been given the seven seals. This is my life.  
22 "And that same one that gave me the seals is the same  
23 one that directs me and that same one said to me wait,"  
24 and, you know, with him, he told me that in the  
25 beginning, when that process was happening to him.  
When he went to Israel in '85 and that, that took place

1 | in that time, it was a hard thing that he told me to  
2 | deal with in the beginning, being like anyone else.

3 |           HENRY: And, and, you know, and I believe in  
4 | him and in what he said and that's why I suggested that  
5 | we do this. He didn't ask for that. I suggested that  
6 | we do that and he concurred, agreed, took what we  
7 | suggested and then he made a promise based on -- we  
8 | believed that he was being sincere --

9 |           STEVE: As me. As me.

10 |           HENRY: -- and he was being guided by God.  
11 | And then for him to renege and, as far as the bosses  
12 | are concerned, he reneged. Now, you know, I believe in  
13 | what you're saying and I believe that he will do the  
14 | right thing eventually.

15 |           STEVE: Right.

16 |           HENRY: But they are convinced --

17 |           STEVE: Okay. What am I going to do? I'm  
18 | stuck. What would you -- I mean, I'm stuck --

19 |           HENRY: I understand.

20 |           STEVE: -- between a hard place and a rock  
21 | here.

22 |           HENRY: I understand. And I feel that I'm  
23 | stuck, too, and I need for you to, as best as you can,  
24 | if the opportunity presents itself to you, I need for  
25 | you to let him know that I am, as you are, between a  
   | rock and a hard spot --

1 STEVE: Right.

2 HENRY: -- because I can't give you anything,  
3 you know, until we get something in return.

4 STEVE: Okay. Were you able to relate to  
5 them at least what I told you was happening within,  
6 like everybody's waiting, they're dressed.

7 HENRY: Yes. Yes.

8 STEVE: I'm glad about that because --

9 HENRY: And that is helpful.

10 STEVE: Yeah.

11 HENRY: And I'm hoping that if at any moment  
12 he sees a sign, hears a word, has a dream --

13 STEVE: Exactly, exactly.

14 HENRY: -- or whatever, that we will -- that  
15 we can proceed.

16 STEVE: Exactly. I am with you a hundred  
17 percent on that, a hundred percent.

18 HENRY: Okay.

19 STEVE: Well, I'm glad you called and, well,  
20 at least you let me know. I mean, I knew you probably  
21 -- well, I knew you didn't know, you know, the details  
22 of the other.

23 HENRY: Actually I did not.

24 STEVE: Oh. I mean, well, I don't mean you,  
25 but I mean I'm -- I knew they were.

HENRY: Yes.

1           STEVE: Overall I guess somebody -- yeah, let  
2 me rephrase that.

3           HENRY: Yes. Do you feel that your goals and  
4 David's goals are the same?

5           STEVE: Well, after all this time I would  
6 have to say in honesty, yes, I do. I do.

7           HENRY: Okay. Okay. Now, if something were  
8 to happen to him --

9           STEVE: Okay.

10          HENRY: -- I am going to rely on you to help  
11 me with this.

12          STEVE: Okay. I realize that.

13          HENRY: Okay. I can count on you?

14          STEVE: I sure hope so.

15          HENRY: Okay. Okay.

16          STEVE: I'm going to do the best I can, you  
17 know --

18          HENRY: Okay.

19          STEVE: -- for all that are, you know, and  
20 the good of all.

21          HENRY: Okay. Okay.

22          STEVE: So I just wish that, you know, like  
23 yourself -- you know, the waiting game is always the  
24 hardest.

25          HENRY: Yes.

          STEVE: And even myself, I've been a very

1 impatient person all my life. Maybe it's -- maybe this  
2 is happening because of me. I don't know.

3 HENRY: (Laughter.)

4 STEVE: I tell you what -- but I'll tell you  
5 it's hard for me, too, and others. You know, that's  
6 why -- here we're dressed yet. It's not like you're in  
7 your sleeping, retiring clothes for the evening.

8 HENRY: Um-hum.

9 STEVE: And so he says be ready as you were  
10 told, you know, because that's what it was and so  
11 that's the way the people are here.

12 HENRY: Okay.

13 STEVE: So that's why we're all waiting there  
14 and sometimes you're twiddling your thumbs and  
15 sometimes you're looking at the watch and, and when you  
16 ring me like this, I'm thinking well now, how much time  
17 went by, you know. Sometimes it goes so slow you're  
18 wondering just what's going on.

19 HENRY: Okay.

20 STEVE: But, yeah, we're waiting.

21 HENRY: Okay. If he talks to you, ask him if  
22 he still realizes the position that I've been placed  
23 in, if there's any way that we can work --

24 STEVE: Okay.

25 HENRY: -- towards getting some of the kids  
out if he is not ready for the entire group --

1 STEVE: I've been thinking about that myself.

2 HENRY: -- at this time.

3 STEVE: And, as you said, you know, when he  
4 -- usually he will start talking or, you know, he feels  
5 up to where he can start moving around more and so  
6 forth, but he's been --

7 HENRY: Okay.

8 STEVE: In the last hour or two, even though  
9 his blood pressure came up and he talked a little bit,  
10 he was talking with you then. He hasn't since, so I'm  
11 just kind of waiting again to see what happens and --

12 HENRY: Okay.

13 STEVE: -- and then I will communicate with  
14 him.

15 HENRY: Okay. I'll probably call you back in  
16 a little while then.

17 STEVE: Okay.

18 HENRY: Okay?

19 STEVE: Talk to you later, Henry.

20 HENRY: Okay. You take care, Steve.

21 STEVE: Okay. Bye.

22 HENRY: Bye-bye.

23 \* \* \* \* \*

24 (Telephone ringing.)

25 RACHEL: Hello?

HENRY: Hello.

1 RACHEL: Yes. This is Rachel.  
2 HENRY: Hi, Rachel. How are you doing?  
3 RACHEL: Fine.  
4 HENRY: Is David around?  
5 RACHEL: Yes. Let me -- kind of -- I think  
6 he's sleeping. I believe he's sleeping.  
7 HENRY: Is there a chance that I could talk  
8 to him, please?  
9 RACHEL: Just a minute. David? He's sound  
10 asleep.  
11 HENRY: Is he asleep or is he passed out?  
12 RACHEL: No, he's not passed out.  
13 HENRY: Huh?  
14 RACHEL: He's not passed out.  
15 HENRY: Are you sure?  
16 RACHEL: Yeah.  
17 HENRY: Okay. When was the last time that  
18 you took his blood pressure?  
19 RACHEL: Let's see.  
20 RACHEL TO UNIDENTIFIED PERSON IN BACKGROUND:  
21 How long ago was it when we took his blood pressure?  
22 Twenty minutes ago?  
23 RACHEL: About ten minutes ago, he was  
24 saying.  
25 HENRY: Was it the same?  
RACHEL: Um-hum.

1 HENRY: Okay. Good.  
2 RACHEL: All right.  
3 HENRY: Good. Is Steve awake?  
4 RACHEL: No. He's fallen asleep now.  
5 HENRY: Okay. Is, is everybody asleep?  
6 RACHEL: No. Very doubtfully.  
7 HENRY: Is, is everybody still dressed and  
8 ready to go out?  
9 RACHEL: Yeah.  
10 HENRY: Okay.  
11 RACHEL: We're certainly not going to put our  
12 pajamas on.  
13 HENRY: Really?  
14 RACHEL: No.  
15 HENRY: (Laughter.) Well, you know, if he's  
16 asleep, you may as well, right?  
17 RACHEL: No. It's just a rest probably.  
18 HENRY: It's just a rest, you think?  
19 RACHEL: Who knows? I don't know.  
20 HENRY: (Laughter.)  
21 RACHEL: I myself, I'm tired, but I can't  
22 sleep.  
23 HENRY: Um-hum .  
24 RACHEL: You know? Listening to the radio.  
25 HENRY: I'm sorry?  
RACHEL: Listening to the news.

1 HENRY: Are you listening to KRLD?

2 RACHEL: Um-hum.

3 (Background conversation.)

4 HENRY: Okay.

5 RACHEL: Everybody is pretty much.

6 HENRY: Um-hum.

7 RACHEL: Well, a few. Not everybody.

8 HENRY: Um-hum. Is everybody in good health?

9 RACHEL: Yes. Same as they were last time I  
10 talked to you.

11 HENRY: Okay. Did, did Steve talk to David  
12 about sending anybody else out?

13 RACHEL: Oh, I don't know if he did or not.

14 HENRY: Okay. Is anybody anxious to leave  
15 that place or not?

16 RACHEL: No.

17 HENRY: No?

18 RACHEL: Not at all. Now, what do you mean  
19 by that question? Let me make sure I understand what  
20 you mean.

21 HENRY: Well, you know, he had, he had told  
22 me -- he had promised the world that he was going to  
23 lead everybody out.

24 RACHEL: Um-hum.

25 HENRY: I assumed, based on what he said and  
based on the fact that everybody is dressed and ready

1 | to leave, that everybody was going to be leaving.

2 |         RACHEL: Um-hum.

3 |         HENRY: Okay? Is that the impression that  
4 | you had?

5 |         RACHEL: That we were going to leave after  
6 | him and the children went out the front.

7 |         HENRY: Uh-huh.

8 |         RACHEL: Yes.

9 |         HENRY: Okay. Did -- was everybody prepared  
10 | to leave?

11 |         RACHEL: Yes --

12 |         HENRY: Okay.

13 |         RACHEL: -- we were.

14 |         HENRY: Okay. But -- and but since he's  
15 | waiting for divine inspiration, how does everybody feel  
16 | about that?

17 |         RACHEL: What do you mean?

18 |         HENRY: What I mean is do people still want  
19 | to come out or don't want to come out? Is there a  
20 | reluctance by some of the people left to leave?

21 |         RACHEL: Well, we -- I'm not exactly sure how  
22 | to use the right words. I'm not a good spokesperson.  
23 | But, you know, we believe only he can open the seven  
24 | seals and God told him to wait and that's what we're  
25 | doing.

          HENRY: Yes, but what I'm saying is how does

1 everybody feel in terms of their not being -- their not  
2 having left? Do they -- do you feel let down or --

3 RACHEL: No.

4 HENRY: -- are you happy that you're not  
5 leaving?

6 RACHEL: No. Neutral pretty much, I'd say.  
7 I'm speaking for myself. Just waiting.

8 HENRY: Uh-huh.

9 RACHEL: I know it will all work out okay.

10 HENRY: I'm sorry?

11 RACHEL: I know it will work out okay.

12 HENRY: Okay. What are your feelings in  
13 terms of what's going to happen when you leave?

14 RACHEL: What do you mean?

15 HENRY: See, I don't know -- I get the  
16 feeling sometimes that, that he doesn't want to leave  
17 because he's waiting to die.

18 RACHEL: I don't know if you can jump to that  
19 conclusion.

20 HENRY: Well, you know, and maybe I'm wrong,  
21 you know, but --

22 RACHEL: No. He was ready to go. He's not  
23 laying here ready to die. He was ready to go and he  
24 was praying and God told him to wait.

25 HENRY: Okay. Is this a normal practice for  
him? Does he -- just is that what he does? See, I'm

1 | not certain what it is exactly.

2 |           RACHEL: Well, Steve explained it very, very  
3 | clearly to you I thought, because I was listening to  
4 | him and he explained all that to you, that he doesn't  
5 | do anything without, you know, like you said, divine --  
6 | you used the word "divine inspiration." You know, God  
7 | tells him what to do.

8 |           HENRY: Yes. And, see, but there's an  
9 | inconsistency in that. He said that --

10 |           RACHEL: By your own interpretation.

11 |           HENRY: Okay. Well, then maybe not and maybe  
12 | you can explain it to me and I didn't understand when I  
13 | spoke to Steve about this because David said -- and  
14 | this was not based on my prompting him or anything. He  
15 | said that as soon as the message was read over the  
16 | radio that he was coming out immediately. Now, I  
17 | didn't ask him to say that. That's what he said.

18 |           RACHEL: Um-hum.

19 |           HENRY: Okay? Now, I don't understand why if  
20 | he said that that he's waiting. Now -- okay. Now, he,  
21 | he has said that he's been told to wait. Now, what I'm  
22 | trying to understand is -- and when I say divine  
23 | inspiration, I don't know if he's waiting to, to hear  
24 | something or to see something or to dream something.  
25 | I'm not exactly sure what it is that he's waiting for.  
   | I'd like to be able to understand that.

1 RACHEL: Well, I'm not --  
2 HENRY: I'm sorry?  
3 (Pause.)  
4 HENRY: Do you know whether he hears  
5 voices --  
6 RACHEL: Yes.  
7 HENRY: -- or see visions?  
8 RACHEL: Yes, both.  
9 HENRY: Okay. Before he -- before he does  
10 something, that's what he does? He either hears a  
11 voice or, or sees a vision or something like that?  
12 RACHEL: Well, like I said, he was praying  
13 and the voice told him to wait, God's voice.  
14 HENRY: Okay.  
15 RACHEL: God spoke to him, he's had visions  
16 before.  
17 HENRY: Okay. Do you, do you feel either  
18 nervous or happy or how do you feel about coming out of  
19 that -- out of the compound?  
20 RACHEL: Well, I want to be with my children.  
21 That's -- you know.  
22 HENRY: Okay. Okay. Well, I can understand  
23 that.  
24 RACHEL: But they're not going to consider it  
25 -- they're going to consider it a crime or whatever,  
and you know.

1 HENRY: Who's going to consider what a crime?

2 RACHEL: Whatever took place here, you know.

3 HENRY: Does that involve you?

4 RACHEL: They fired at us first.

5 HENRY: Does that involve you?

6 RACHEL: What do you mean? I live here.

7 HENRY: Well, I understand that, but -- you  
8 know, but, you know, the children live there, too. I'm  
9 not real, real certain about this.

10 RACHEL: Yeah, but the children don't know,  
11 you know. The children are, are very young.

12 HENRY: Um-hum.

13 RACHEL: They don't know anything.

14 HENRY: Do you think that --

15 RACHEL: They know things, but they're not,  
16 you know, of age.

17 HENRY: Um-hum. Do you think that that may  
18 be one of the concerns that David has?

19 RACHEL: Concerned about what?

20 HENRY: In terms of his reluctance to leave.

21 RACHEL: You mean, as to their safety?

22 HENRY: No. His own. Not so much safety,  
23 but --

24 RACHEL: Oh, no. He's not worried about his  
25 safety, no. He's got more -- his burden is much  
heavier than that. He is not worried about his, his

1 flesh.

2 HENRY: Um-hum. Okay. Okay.

3 RACHEL: Like he explained to you earlier,  
4 that you try to hold -- I don't remember how he said it  
5 now, but hold back, you know, what goes on out there  
6 and he tries to keep the wrath of God from you, people  
7 out there in the world, because -- I mean, if you read  
8 the Bible and study it very much, I don't know if you  
9 do, but when God gets angry, better watch out.

10 HENRY: Um-hum.

11 RACHEL: I mean, nature takes place.

12 HENRY: Um-hum. Well, that's true. I can  
13 understand that.

14 RACHEL: And he would like for the whole  
15 world to be saved.

16 HENRY: Well, see, and I think a lot, and I  
17 think a lot of -- millions of people listened to his,  
18 to his word and we facilitated that. We helped him to  
19 get that message out, and part --

20 RACHEL: Um-hum, and then you cut us off. We  
21 couldn't even talk to the media.

22 HENRY: Wait a second. We made all of that  
23 available to him, you know. I made that available for  
24 him.

25 RACHEL: Yeah, but I'm saying --

HENRY: Okay?

1 RACHEL: -- we were calling them on the  
2 phone. They were calling us on the phone before.

3 HENRY: Um-hum. Well --

4 RACHEL: I mean, I appreciate you doing that.  
5 Don't get me wrong.

6 HENRY: Okay. But one of the things that we  
7 did is we facilitated that process for him --

8 RACHEL: Um-hum.

9 HENRY: -- and in exchange for that he made a  
10 promise and gave his word, and the problem that I have  
11 is I want to continue having a good working  
12 relationship with him --

13 RACHEL: Um-hum.

14 HENRY: -- but the bosses here feel that he  
15 reneged on his word. Now, that's the position that  
16 we're in. I'm in a difficult position. I wish that  
17 there was some way that I could resolve this so that we  
18 could have a situation consistent with my being able to  
19 say, "Look. You know, he is waiting for this, but he's  
20 at least willing to give us some additional people or  
21 something."

22 RACHEL: Well, I can't, I can't, you know,  
23 speak for that, you know.

24 HENRY: Okay. Okay. If something were to  
25 happen to him, that is if his health were to fail him,  
you know, and you and I spoke about this before, I

1 | would like to feel that you can take a position of  
2 | leadership within the, within the compound.

3 |           RACHEL: Why is that?

4 |           HENRY: Because we need for everybody to  
5 | follow the lead --

6 |           RACHEL: Follow a person? You mean, follow,  
7 | follow me and I, I don't -- I wouldn't know, you know.  
8 | I don't have communication with God. I don't --

9 |           HENRY: Okay.

10 |           RACHEL: You know, people do what they feel  
11 | would be right to do.

12 |           HENRY: Okay. Okay. Do you feel that it  
13 | might be right for you to come out?

14 |           RACHEL: Well, that's what we planned.

15 |           HENRY: Okay.

16 |           RACHEL: That was, you know, the agreement.

17 |           HENRY: Okay. Well, hopefully we can, we can  
18 | establish contact with him and/or with you and we can  
19 | move in that direction. Do you think he'll be asleep  
20 | for a long time?

21 |           RACHEL: I don't know.

22 |           HENRY: Okay. Well, does everybody feel that  
23 | the only way that they can come out is for David to  
24 | come out first?

25 |           RACHEL: Well, that's the agreement that was  
made and we're going to stick to that way, so --

1           HENRY: Okay. Okay. Do you feel that that's  
2 like a, like a pledge or, or a serious contract that  
3 they -- that you have with him? And when I say you, I  
4 mean the rest of the people, not so much you, but --

5           RACHEL: Yes.

6           HENRY: Okay.

7           RACHEL: I'm not sure I -- I haven't really  
8 thought of it, you know, the way you're describing it.  
9 I haven't thought about it like that.

10          HENRY: Um-hum. Um-hum. Okay. Well, if you  
11 would do me a favor? If you will kind of watch his  
12 -- you know, watch for his medical condition, I'd  
13 really appreciate it.

14          RACHEL: Okay.

15          HENRY: Okay?

16          RACHEL: All right.

17          HENRY: Okay. I'll probably be in touch with  
18 you in awhile.

19          RACHEL: About how long do you think?

20          HENRY: Pardon me?

21          RACHEL: About how long? I'm -- I mean,  
22 before Steve went to sleep, he said that if, you know,  
23 David woke up or he woke up whichever comes first --  
24 and they spoke, then if things changed he would call  
25 you.

          HENRY: Pardon me?

1 RACHEL: He said that he would call you, you  
2 know.

3 HENRY: Well, see, I'm in a, I'm in a  
4 difficult position and I've been put in this position  
5 by David.. David made a -- gave me his solemn word and  
6 I went, I went real far on this because I believed him.  
7 Okay? I'm in a very difficult position of having to  
8 answer, having to answer up as to why David is not, you  
9 know, doing what he gave his word that he was going to  
10 do. So, you know, believe me, I don't want to, I don't  
11 want to bother you. I don't want to bother anybody. I  
12 just want to try to be in a situation where I can feel  
13 good about having to explain why David is doing  
14 whatever it is that he's doing.

15 RACHEL: Um-hum.

16 HENRY: And at some point or another I need  
17 to talk to David so that I can put myself again in a  
18 good working relationship with him.

19 RACHEL: Um-hum.

20 HENRY: And I need periodically to check on  
21 David's medical health and I have that responsibility.  
22 If he were to die, you know, and I don't make an effort  
23 to try to get him out, then I will be held, you know,  
24 as not having done what I need to do.

25 RACHEL: Um-hum.

(Background conversation. Indiscernible).

1 HENRY: Steve?  
2 RACHEL: Hello?  
3 HENRY: Hello. Is Steve there?  
4 RACHEL: Yes. He's being disturbed by this.  
5 HENRY: I'm sorry?  
6 RACHEL: I guess he phased in. He was being  
7 disturbed by the conversation. He's trying to get some  
8 sleep.  
9 HENRY: David?  
10 RACHEL: No.  
11 HENRY: Steve?  
12 RACHEL: Yeah.  
13 HENRY: Oh, okay. Does he want to talk?  
14 RACHEL: I don't think so. He was trying to  
15 -- you know, he was sleeping and I guess the  
16 conversation -- someone just -- oh, he just corrected  
17 me. Somebody else was making some commotion and he was  
18 trying to tell them to be quiet, he was getting some  
19 sleep or something or other.  
20 HENRY: Okay. Okay. Well, I'll call you  
21 back in a little bit.  
22 RACHEL: Okay.  
23 HENRY: Okay. You take care, Rachel.  
24 RACHEL: All right. Bye.  
25 HENRY: Bye-bye.

\* \* \* \* \*

1 (Telephone ringing.)

2 RACHEL: Hello?

3 HENRY: Rachel?

4 RACHEL: Yes.

5 HENRY: How's everybody doing?

6 RACHEL: Okay.

7 HENRY: Is he still asleep?

8 RACHEL: Just a minute. I can't tell. Wait  
9 a second. David? Looks like it. Are you there?

10 HENRY: Hello?

11 RACHEL: Yes. I'm here.

12 HENRY: Yes. Is he asleep?

13 RACHEL: Looks like it.

14 HENRY: And Steve is, too?

15 RACHEL: Just a minute.

16 STEVE: Henry?

17 HENRY: Steve?

18 STEVE: Hello?

19 HENRY: Steve?

20 STEVE: Yeah.

21 HENRY: How are you doing?

22 STEVE: Well, I just -- I was trying to  
23 sleep, but I can't anyway, so it's all right.

24 HENRY: (Laughter.)

25 STEVE: Yeah. I'm just trying to -- you  
know, thinking over a lot of things, of course.

1 HENRY: Uh-huh.

2 STEVE: So what's up?

3 HENRY: Oh, nothing. Just wanted to make  
4 sure everything's okay, everybody's --

5 STEVE: I've been keeping a -- every now and  
6 then because I haven't slept. I've been keeping a  
7 watch on him and --

8 HENRY: Um-hum.

9 STEVE: -- his condition and he seems to be,  
10 you know, very stable as to what it last was so, if  
11 anything it seems, you know, better.

12 HENRY: Okay.

13 STEVE: So hopefully it will be an  
14 improvement and so that doesn't seem to be as major a  
15 concern, but I guess one doesn't know.

16 HENRY: Now, is he resting comfortably?  
17 You're not -- you don't think there's anything wrong  
18 with him, do you?

19 STEVE: No, because a little while ago, just  
20 before you called, I was looking around carefully and  
21 checking and, you know, breathing rate and all the rest  
22 and everything is the same.

23 HENRY: Um-hum.

24 STEVE: And, you know, she was probably going  
25 to take some signs, too, again, but I guess he was  
resting so well they decided just to leave him be for a

1 | little bit.

2 |           HENRY: Okay. Now, what are your thoughts?  
3 | Is, is everything --

4 |           STEVE: Well, we're kind of waiting to, you  
5 | know, to be able to talk again.

6 |           HENRY: Okay.

7 |           STEVE: Yeah. And I thought maybe by now  
8 | but, you know, not just yet, I guess.

9 |           HENRY: Okay.

10 |          STEVE: But he usually wakes up every now and  
11 | then.

12 |          HENRY: Okay.

13 |          STEVE: Yeah. But as soon as I find, I'll  
14 | give a buzz back there.

15 |          HENRY: Okay. Now, has he eaten since this  
16 | morning?

17 |          STEVE: Let's see. I've been around him  
18 | quite a bit through the day and I, I know last night  
19 | for sure. Today I'm not -- I can't remember or  
20 | remember what anybody said about that, but probably so.

21 |          HENRY: Okay.

22 |          STEVE: Yeah.

23 |          HENRY: Okay. Well, I want you to check on  
24 | his, you know --

25 |          STEVE: Yeah.

          HENRY: -- on his medical condition

1 | periodically.

2 |           STEVE: Yeah. We'll keep doing that. Yeah.  
3 | She's been -- you know, the nurse has been waiting to,  
4 | you know, take another couple readings and -- but I  
5 | guess he's just been doing so well for the past hour or  
6 | two, I guess, she thought he might come around now  
7 | anytime so, so I kind of went by, you know, what she  
8 | thought about it.

9 |           HENRY: Okay.

10 |           STEVE: Yeah.

11 |           HENRY: Okay. Well, I don't -- I want  
12 | everything to, to move in the direction that we were  
13 | moving in, and sometime maybe --

14 |           STEVE: Right. I'm open for communication  
15 | there, too.

16 |           HENRY: Um-hum. Maybe, maybe once we -- I'll  
17 | probably call back after awhile and, you know, if he's  
18 | awake by then --

19 |           STEVE: Yeah.

20 |           HENRY: -- I'll try to talk to him.

21 |           STEVE: Okay. That sounds good.

22 |           HENRY: But, but I want you to be thinking in  
23 | terms of -- see, what I think is going to happen is I  
24 | think he's going to be one of the first ones coming out  
25 | of that -- coming out of there when we -- when that  
   | takes place, and I think you're going to be one of the

1 | last people that come out of there, so I want you to be  
2 | thinking --

3 |           STEVE: Well, if it's -- you know, if it's  
4 | the best -- I mean, as you see it, -- you know, I'm  
5 | willing, whatever, you know.

6 |           HENRY: Okay.

7 |           STEVE: And if you think that would be the  
8 | best thing --

9 |           HENRY: I think so. I think so. And I want  
10 | you to, I want you to organize everybody.

11 |           STEVE: Yeah.

12 |           HENRY: Okay? And what we're probably going  
13 | to do is, you know, we -- after we take him out of  
14 | there, then what we're going to probably need to do is  
15 | I'll probably need for you to organize the men and then  
16 | we'll take the men. You know, we'll send one guy out  
17 | periodically and then we'll take the women and children  
18 | or, or whatever. Okay? But I want you to be the last  
19 | person because I want everybody to, to feel secure and  
20 | I think that they'll probably feel secure once he's  
21 | gone, you know, if you're there.

22 |           STEVE: Yeah.

23 |           HENRY: The stabilizing force.

24 |           STEVE: Well, how do you mean? I mean, I  
25 | guess I'm not quite getting the picture. I've been  
   | trying to wake -- okay, I better get a little more

1 | alert here.

2 |           HENRY: Um-hum.

3 |           STEVE: So are you -- okay. When you're  
4 | saying like take him out, well, how do you mean?

5 |           HENRY: Well, we're going to, one, need for  
6 | somebody to carry him out.

7 |           STEVE: Right.

8 |           HENRY: Okay? So you have that stretcher  
9 | that we left there, right?

10 |          STEVE: Exactly.

11 |          HENRY: Okay. Well, we're going to need  
12 | somebody to carry him out, you know, and then we'll  
13 | probably put him in some kind of a, some kind of a  
14 | ambulance type vehicle.

15 |          STEVE: Um-hum.

16 |          HENRY: Okay? And he'll probably be moved to  
17 | a hospital. Okay. So we're going to need for you to  
18 | line up the people that are, that are going to require  
19 | medical attention, you know, and probably a lot of the  
20 | guys -- a lot of the men are going to, are going to be  
21 | in that kind of a position. So we'll need for you to  
22 | line them up according to who's hurt the most or  
23 | whatever.

24 |          STEVE: Well, that makes sense.

25 |          HENRY: So I don't know how many men, you  
| know, are going to need assistance. I don't know if

1 | we're going to have to carry anybody out or not, but if  
2 | that's the case, I want you to line them up next so  
3 | that we can make arrangements to get them to -- into --  
4 | you know, into a hospital or, or to at least get some  
5 | kind of medical attention as soon as is possible.

6 |           STEVE: Right.

7 |           HENRY: Okay. And then, and then after we  
8 | get all the men out of there, then we'll, then we'll go  
9 | to the women because probably the women and children  
10 | are the ones that are, that are probably in the best  
11 | physical condition. And then I want you to come out  
12 | last.

13 |           STEVE: Okay. Yeah. That's not a problem at  
14 | all.

15 |           HENRY: Okay. Okay. Have you been able to  
16 | get any rest yourself?

17 |           STEVE: Well, I don't know. It's a funny  
18 | night because, you know, I mean, I would have thought I  
19 | would have, but I've been having a hard time falling  
20 | asleep, kind of starting -- I start to fall asleep and,  
21 | and I guess it was -- you know, it's been a lot of  
22 | expectation.

23 |           HENRY: Um-hum.

24 |           STEVE: And, like I was telling you before,  
25 | you know, waiting is not always the easiest thing, but  
-- and, you know, I'm always waiting to see, you know,

1 | where he might be, you know, physically in the rest and  
2 | waiting for a word or two, so --

3 |           HENRY: Okay.

4 |           STEVE: Yeah.

5 |           HENRY: Okay. Well, listen.

6 |           STEVE: Okay.

7 |           HENRY: What I would like for you to do as --  
8 | if you have some, some paper and pencil, I want you to  
9 | start, you know, preparing some kind of a, you know,  
10 | some kind of a report for me later. And what I want  
11 | you to do is I want you to give me a survey of, of the  
12 | kind of injuries that some of the people, especially  
13 | the men, have and what you -- you know, if you think  
14 | we're going to need some more stretchers and I want you  
15 | to tell me how many we're going to need in that kind of  
16 | a situation so we have enough.

17 |           STEVE: What time do you have there, Henry?

18 |           HENRY: Pardon me?

19 |           STEVE: What time do you have there?

20 |           HENRY: It's a little after 3:00. I probably  
21 | won't call you back until around 5:00 or something.

22 |           STEVE: Okay. I think what I'll do then is  
23 | probably more towards the morning then I'll probably  
24 | get up there --

25 |           HENRY: Okay.

          STEVE: -- and try to go talk and see what I

1 | can do with some of the people and the guys.

2 |           HENRY: Okay. Okay.

3 |           STEVE: Yeah.

4 |           HENRY: Now, if you think that somebody's  
5 | got, you know, something where we have a situation  
6 | that's going to require because somebody has an  
7 | infection or, or something like that --

8 |           STEVE: That probably would be, that probably  
9 | would be that someone would. I'm -- I think -- I know  
10 | for sure one individual I would suspect for sure, you  
11 | know.

12 |           HENRY: Okay. Well, you know, if we need to  
13 | take care of him first thing in the morning, let's do  
14 | that.

15 |           STEVE: Okay.

16 |           HENRY: Okay?

17 |           STEVE: You know, we're still waiting for,  
18 | you know, like I said, you know, like word from him and  
19 | --

20 |           HENRY: That's fine.

21 |           STEVE: Yeah.

22 |           HENRY: Okay. Talk to him about that and see  
23 | what his thinking is.

24 |           STEVE: Okay, because -- I suppose, you know,  
25 | if, if that would work the best and everything because  
   | of -- well, you know, just what you all said earlier,

1 | other than the time period.  
2 |         HENRY: Um-hum.  
3 |         STEVE: I'm sure that probably would not be a  
4 | problem.  
5 |         HENRY: Okay.  
6 |         STEVE: So as soon as I have an opportunity,  
7 | then I'll --  
8 |         HENRY: Okay.  
9 |         STEVE: -- I'll talk to him about it.  
10 |         HENRY: Okay. Now, talk to him about this,  
11 | too, and if we have some people that are dead within,  
12 | you know, your area --  
13 |         STEVE: Um-hum.  
14 |         HENRY: -- and we need to carry them out,  
15 | then let me know because we're going to have to make  
16 | arrangements for that.  
17 |         STEVE: All right.  
18 |         HENRY: Okay?  
19 |         STEVE: Okay. And I guess I'll try to get a  
20 | few hours.  
21 |         HENRY: Okay. Do we have some dead people  
22 | within the place?  
23 |         STEVE: I'm suspecting so --  
24 |         HENRY: Okay.  
25 |         STEVE: -- but, you know, I suppose what I'll  
do is have the nurses check to make sure and get counts

1 and, and the rest of it.

2 HENRY: Okay. Keep in mind, though, that  
3 there is this -- this can become a health issue.

4 STEVE: Right.

5 HENRY: We don't want the kids, you know --  
6 nothing, I mean -- not for anything. We don't want  
7 these kids to, you know, to be in the situation, number  
8 one, where they're going to be traumatized and/or it  
9 becomes a health issue.

10 STEVE: Um-hum.

11 HENRY: Okay?

12 STEVE: I understand that.

13 HENRY: Okay.

14 STEVE: Yeah.

15 HENRY: So I'll check back with you in a  
16 couple of hours.

17 STEVE: All right.

18 HENRY: Okay.

19 STEVE: Okay. Talk to you later, Henry.

20 HENRY: Okay. You take care?

21 STEVE: Okay. Bye.

22 HENRY: Bye-bye.

23 \* \* \* \* \*

24 (Telephone ringing.)

25 RACHEL: Hello?

HENRY: Good morning.

1 RACHEL: Good morning.  
2 HENRY: Good morning.  
3 RACHEL: Good morning.  
4 HENRY: How are you?  
5 RACHEL: Oh, I'm all right.  
6 HENRY: Is Steve around?  
7 RACHEL: Um-hum. Just a minute.  
8 STEVE: Hello?  
9 HENRY: Good morning.  
10 STEVE: Oh, yes. It's hard to tell.  
11 HENRY: I'm sorry?  
12 STEVE: I said it's hard to tell.  
13 HENRY: Is it early? How do you feel?  
14 STEVE: Tired.  
15 HENRY: Tired?  
16 STEVE: Yeah, very much so.  
17 HENRY: Um-hum.  
18 STEVE: Yeah. I've been waiting for a  
19 movement with him, but he's -- I'm looking over here --  
20 breathing the same. Keeping an eye on him and he seems  
21 to be doing okay.  
22 HENRY: Uh-huh.  
23 STEVE: He's been -- he's still out, though,  
24 totally.  
25 HENRY: Totally out?  
STEVE: Yeah, sleeping all this time. He

1 | moved around quite a bit before and I was, you know,  
2 | watching him and everything. I thought maybe he'd wake  
3 | up, but he just kinda -- he didn't.

4 |           HENRY: Do you think he's got a fever?

5 |           STEVE: No, because he has been checked.  
6 | Every now and then they do it. You know, they all put  
7 | their -- like their hand on his forehead or something  
8 | like that, without taking --

9 |           HENRY: Um-hum.

10 |           STEVE: -- of the total temperature, like a  
11 | thermometer.

12 |           HENRY: Uh-huh.

13 |           STEVE: Yeah. It's --

14 |           HENRY: I need some help with a situation,  
15 | Steve.

16 |           STEVE: Well, that's what, you know -- even  
17 | right now I'm trying to -- well, I was hoping, you  
18 | know, to stand by you, that I'd be -- well, at first,  
19 | in fact it looked like maybe he was going to wake up a  
20 | little bit ago and he was moving around.

21 |           HENRY: Uh-huh.

22 |           STEVE: But then he just -- although this is  
23 | really the first time he's got any really good sleep.

24 |           HENRY: Um-hum. I'm getting some inquiries.

25 |           STEVE: Um-hum.

          HENRY: And the inquiries are from relatives

1 | of some of the people that are within the compound.  
2 |         STEVE: Okay.  
3 |         HENRY: Sherry Jewell.  
4 |         STEVE: Okay.  
5 |         HENRY: Is she okay?  
6 |         STEVE: Sherry Jewell, I believe, is okay.  
7 |         HENRY: Okay. What about Mary Jean Borst?  
8 |         STEVE: Mary Jean Borst? Oh, let's see, I'm  
9 | trying to remember all of the ones I've seen there --  
10 | yes, I believe she's all right.  
11 |         HENRY: She's okay?  
12 |         STEVE: I believe so.  
13 |         HENRY: Okay. Yeah, I think her son called.  
14 | Okay. How about David Dibodo (phonetic sp.), Dibodo?  
15 |         STEVE: What was that last name?  
16 |         HENRY: David Dibodo.  
17 |         STEVE: Maybe Tibido. You know, all of  
18 | these, I haven't seen just --  
19 |         HENRY: Huh?  
20 |         STEVE: I haven't seen everybody so I'm not  
21 | too sure. Let's see.  
22 |         HENRY: You don't know if he's okay?  
23 |         STEVE: No. I'm not too certain, but I --  
24 |         HENRY: Huh?  
25 |         STEVE: I'm not too certain about him.  
       HENRY: You're not certain about him?

1           STEVE: There's probably about -- I would say  
2 half of them I might know about but, you know, I -- the  
3 other -- not all am I too sure about.

4           HENRY: Uh-huh. What about Jeff Little?

5           STEVE: Let's see. Jeff? I've heard  
6 somebody mention him so I guess apparently he must be  
7 all right.

8           HENRY: He must be all right?

9           STEVE: I would think so. I haven't -- you  
10 know, not everybody have I seen, but it seems like I  
11 heard somebody mention his name.

12          HENRY: Um-hum. In what context?

13          STEVE: Let's see. When was it? It was  
14 probably yesterday --

15          HENRY: Uh-huh.

16          STEVE: -- that I heard somebody mention his  
17 name for doing something. I don't remember what.

18          HENRY: Okay. What about Douglas Martin?

19          STEVE: Douglas -- yeah, Martin -- yeah,  
20 Wayne's here. That's Wayne. He's okay.

21          HENRY: Huh?

22          STEVE: He's all right.

23          HENRY: Douglas is okay?

24          STEVE: Um-hum.

25          HENRY: Okay. Can you do me a favor? Can  
you try to see if you can, you know -- after we, we

1 finish talking if you can find out what the status is  
2 on David Tibido and on Jeff Little for sure? You know,  
3 you don't have to find out this instant but, you know,  
4 if you can find out and then when we call you back  
5 later sometime, maybe you can let us know.

6 STEVE: Okay. I definitely will try to do  
7 that.

8 HENRY: Okay. Okay.

9 STEVE: I'm hoping that the weather here will  
10 warm up.

11 HENRY: Yes.

12 STEVE: It's kind of cold in here.

13 HENRY: It's supposed to. It's supposed to  
14 get warmer as the day goes today.

15 STEVE: Oh, that sounds good.

16 HENRY: Okay?

17 STEVE: Okay. I'll do that and definitely,  
18 you know, get that information back to you. I'm  
19 hoping, you know, that -- I think -- I really think  
20 that he'll be awake here in not too long.

21 HENRY: Okay. Were you asleep when I called?

22 STEVE: Yeah, I was.

23 HENRY: Okay. So have you had a -- I'm  
24 sorry. Have you had a chance to, to work on, on what  
25 we spoke about earlier, that is to make a list of --

STEVE: I mentioned it to -- there was one of

1 | the guys that came along and so I told him to help me  
2 | out a little bit on that.

3 |           HENRY: Uh-huh.

4 |           STEVE: And I said I'd -- in fact I thought  
5 | maybe by then -- I was hoping to have talked to David  
6 | already.

7 |           HENRY: Uh-huh.

8 |           STEVE: So I'm sure anytime now because a lot  
9 | of times he'll sleep for a period of time --

10 |          HENRY: Um-hum.

11 |          STEVE: -- and then he's back with, you know,  
12 | talking a little bit and -- but I think this is  
13 | probably -- he's never had so much sleep ever.

14 |          HENRY: Um-hum.

15 |          STEVE: He's never been one that ever got a  
16 | whole lot of sleep.

17 |          HENRY: Uh-huh. He doesn't sleep a lot?

18 |          STEVE: Well, you know, he's not usually one  
19 | of those kind of people that have to have their eight  
20 | hours a night.

21 |          HENRY: Um-hum.

22 |          STEVE: There always someone calling him or  
23 | wanting to talk with him or something.

24 |          HENRY: Yeah. Do you think, do you think  
25 | everybody's ready to come out today?

          STEVE: Oh, yeah, no question. In fact, just

1 | looking around here, like yesterday it started warming  
2 | up. You know, it wasn't too bad of a day and I see a  
3 | lot of people here -- I mean, everybody I -- that I can  
4 | see when I looked around or moved around a little bit  
5 | is still just the same way other than having a couple  
6 | of jackets on here and there and coats.

7 |           HENRY: Um-hum.

8 |           STEVE: Yeah. In fact, I don't see anybody  
9 | that's really gone and like changed any clothes or  
10 | anything else. They're just waiting just like you  
11 | said, you know. He never told them don't do anything  
12 | else, but they're waiting.

13 |           HENRY: Okay.

14 |           STEVE: So they're expecting still to leave.

15 |           HENRY: Okay. So, hopefully, as soon as he  
16 | gives the word everybody will --

17 |           STEVE: Exactly.

18 |           HENRY: Okay. And I still want you to think  
19 | in terms of, of procedurally doing it the way that we  
20 | talked about. Okay?

21 |           STEVE: Right. In fact, I started to --  
22 | after I talked to you, I thought maybe he might have  
23 | been awake, so I started to say a few things there, but  
24 | I -- then I noticed he was out still so, you know, I've  
25 | been still waiting on that.

          HENRY: Um-hum.

1           STEVE: BUT I think pretty much so when it  
2 starts getting light I'm sure he'll be awake. I'm  
3 counting on it anyway.

4           HENRY: Okay. Okay. I want you to take a  
5 lead on this because, you know, as we spoke about once,  
6 once we carry him out, you know, we're going to, we're  
7 going to solicit your help and we're going to need your  
8 help and cooperation to insure that everything gets  
9 done in a fashion that everybody is happy with.

10          STEVE: Right. Well, that's why, you know,  
11 I'm hoping to talk with him here so we can get going.

12          HENRY: Okay.

13          STEVE: Yeah.

14          HENRY: Okay. Then start, then start --

TAPE # 24

3/3/93

1 (Tape 24)

2 HENRY: Additionally, I don't want you to  
3 wait on this. I know that perhaps he's given you some  
4 instructions, but if we --

5 STEVE: You know, I remember earlier you and  
6 I were talking. I think you had talked to him and, you  
7 know, that was the last instruction he gave other than  
8 since the time I've been waiting to talk to him again.

9 HENRY: Um-hum.

10 STEVE: And so far I haven't, I haven't had  
11 the opportunity still, but --

12 HENRY: Okay. Well, we're going to hope that  
13 this morning is the time that we take everybody, you  
14 know, from that location including anybody who may be  
15 dead. Okay? So I'm going to count on you to have a  
16 list for me. Okay?

17 STEVE: Um-hum. I'm going to try to do my  
18 best.

19 HENRY: I appreciate your help. But, you  
20 know, let's, let's work towards getting everybody out  
21 of there today.

22 STEVE: Believe me, I mean, I really did  
23 believe and thought, you know, yes, David, he had saw  
24 and today they're, they're dressed up ready to go, so  
25 I'm hoping that, you know, we'll have it done. So I'll  
talk to you in a little while then, huh?

1 HENRY: Okay. What I -- what we're going to  
2 do is we'll probably call you in a little while. Okay?  
3 And when David wakes up I'd like for you to ask him if  
4 he's going to lead --

5 STEVE: Oh, yeah.

6 HENRY: -- everybody out, number one. Number  
7 two, you know, if you will, check, check for me about  
8 David and Jeff. Okay?

9 STEVE: Okay.

10 HENRY: And then start working on the list.

11 STEVE: Okay. That's what I'll do. That's  
12 what I'll do.

13 HENRY: Okay. Well -- okay. I'll probably  
14 call you or, if not, Jim will call you in awhile.

15 STEVE: All right.

16 HENRY: Okay?

17 STEVE: Okay.

18 HENRY: Thanks, Steve.

19 STEVE: Sure. Bye.

20 HENRY: Bye, Bye.

21 \* \* \* \* \*

22 (Telephone ringing for long period of time.  
23 No answer.)

24 (Telephone ringing again later for long  
25 period of time. No answer.)

(Telephone ringing for third time. No

1 answer.)  
2 (Telephone ringing for fourth time.)  
3 JIM: Hello?  
4 BRIAN: Hello.  
5 JIM: Yeah. This is Jim. Who is this?  
6 BRIAN: My name is Brian. I'll hand you on  
7 to either Steve or David,  
8 JIM: Okay. David, please.  
9 (Pause.)  
10 JIM: Hello?  
11 WAYNE: Hello?  
12 JIM: Yeah. This is Jim.  
13 WAYNE: Jim.  
14 JIM: Steve?  
15 WAYNE: Good to hear.  
16 JIM: How are you doing?  
17 WAYNE: It's Wayne.  
18 JIM: Oh, Wayne.  
19 WAYNE: Yes, sir.  
20 JIM: Listen, I need to talk to David.  
21 WAYNE: Right.  
22 JIM: Is he nearby? Can you get him for me?  
23 It's important. I need to talk to him.  
24 WAYNE: I can't -- I'm going to try and get  
25 right back to you.  
JIM: Well, tell him it's me.

1           WAYNE: Yes.

2           JIM: And can you stay there and send  
3 somebody to get him?

4           WAYNE: Yes, I can.

5           JIM: Okay.

6           WAYNE: Hold on.

7           JIM: And tell him it's me and I need to talk  
8 to him.

9           WAYNE: Okay. I'll, I'll pass the message.

10          JIM: All right.

11          (Pause.)

12          STEVE: Hello, Jim? Hello?

13          JIM: Steve?

14          STEVE: Yes, Jim.

15          JIM: Yeah. How are you doing?

16          STEVE: I don't know. I guess I'm still  
17 hanging in there.

18          JIM: Well, good. I'm glad of that. Do you  
19 think I could talk to David?

20          STEVE: I was hoping so. It looks like he's  
21 -- let me try to get a message over to him. I'm at a  
22 different phone here. We're constantly having  
23 problems, you know, as usual.

24          JIM: Okay.

25          STEVE: In fact, where he's at the one line  
we had that has been the worst phone and the worst line

1 and I was just there. It's as dead as can be and  
2 they're to do something about it.

3 JIM: Yeah. Okay. I understand.

4 STEVE: Now, do you want to hang on for a  
5 little bit because -- or should I call you back?

6 JIM: No. I'll tell you what I'd like you to  
7 do.

8 STEVE: Okay.

9 JIM: Leave somebody there with me.

10 STEVE: Okay.

11 JIM: And then you go get David. Tell him  
12 that I need to talk to him.

13 STEVE: But, I mean, he's -- you know, he  
14 can't be running around.

15 JIM: Oh, I understand. I mean, can't --

16 STEVE: Well, we got to -- see, what we've  
17 done is we --

18 JIM: How far is he from you?

19 STEVE: Quite a distance.

20 JIM: Tell me -- can you tell me how far? Is  
21 he in the chapel or --

22 STEVE: Well, you know, I'm not going to do  
23 that.

24 JIM: You mean -- I mean, is he down in the  
25 chapel or --

STEVE: No. He's like -- I would say -- I'm

1 | trying to think of the area. It's about half the  
2 | building away.

3 | JIM: Okay. From what? The phone?

4 | STEVE: From where I'm at, yeah.

5 | JIM: Can, can we send -- do we need to send  
6 | a phone into you with a long cord so we can --

7 | STEVE: Well, see, that's -- you know, for  
8 | two days he had been requesting that, if anything, to  
9 | make it easier to communicate because the line was  
10 | always being broke. He asked for 150 feet plus a  
11 | phone.

12 | JIM: Okay. Look. All right. Look. Here's  
13 | what we're going to do. I'm going to get you an  
14 | instrument. Well, I'm going to work on it. Let me  
15 | see. I have to check with the commanders. Okay?

16 | STEVE: Okay.

17 | JIM: And maybe -- you know, they were kind  
18 | of on me last night pretty hard because, you know, our  
19 | thing fell through.

20 | STEVE: Jim, I mean, all the talking in the  
21 | world is not going to change your position or mine.  
22 | You are someone that's been chosen because of your  
23 | personality, your character, your understanding of the  
24 | human psyche. I've got a design that I want to live  
25 | forever and I've always believed -- you know, I'm not  
going to get into a long speech with you or anything,

1 | but both of us, you know, you've got to live your life.  
2 | I've got to live mine.

3 |           JIM: Well, Steve, I know.

4 |           STEVE: Okay. But the bottom line is, you  
5 | know, like I told -- it was Henry, right --

6 |           JIM: Um-hum .

7 |           STEVE: -- that took your place?

8 |           JIM: Right.

9 |           STEVE: Well, in speaking with Henry, I mean,  
10 | we went around and around in circles and I says,  
11 | "Henry, you don't much -- how much I appreciate what  
12 | you're saying. I understand what you're saying. I've  
13 | got the picture. But the only reason I was here in the  
14 | first place was because I believe the man is inspired,  
15 | divinely inspired.

16 |           JIM: Oh, I understand. I understand.

17 |           STEVE: That's why. So when God said wait, I  
18 | mean, even though carnally, humanly, I didn't like it  
19 | because when I give my word, I follow through. So does  
20 | he, always has.

21 |           JIM: I understand.

22 |           STEVE: But the whole program has not  
23 | changed, when he says what he says. But I'll tell you  
24 | what, what happened is they heard a report and it  
25 | wasn't very much -- it wasn't long after the two older  
   | ladies got there, that right away they were given a

1 | charge of conspiracy to commit murder.

2 | JIM: Okay. I -- let --

3 | STEVE: And we're going, what --

4 | JIM: See, that's -- let me explain that to  
5 | you.

6 | STEVE: Yeah. Okay. Go ahead.

7 | JIM: Okay? Because I think one of the  
8 | problems we're having is you're getting these  
9 | inaccurate press reports to some degree. In other  
10 | words, the press gives you bits and pieces. You know,  
11 | they don't really know what's going on. Let me give  
12 | you an example. Okay?

13 | STEVE: All right.

14 | JIM: When I left here last night, you know,  
15 | we had sat the busses up early in the day, right?

16 | STEVE: Right.

17 | JIM: As we had agreed?

18 | STEVE: Right. Exactly.

19 | JIM: And I went home last night -- to here,  
20 | and I turned the T.V. on.

21 | STEVE: Yes.

22 | JIM: And do you know what the press said?

23 | STEVE: I got to hear a little on the news.

24 | JIM: It said we saw a bus leaving, but --  
25 | and it was full of children.

STEVE: Right.

1 JIM: The bus left. There was nobody on it.  
2 STEVE: Right.  
3 JIM: I mean, that wasn't even in the realm  
4 of accuracy. What I'm saying is what has happened to  
5 the two ladies. Listen to me and I'll tell you  
6 exactly.  
7 STEVE: Okay.  
8 JIM: Okay?  
9 STEVE: Okay.  
10 JIM: We want no harm to come to them. Okay?  
11 STEVE: Uh-huh.  
12 JIM: And we want to be able to hold them  
13 safely. Okay? You still there?  
14 STEVE: Yeah. I'm listening.  
15 JIM: No formal charge has been placed.  
16 Okay?  
17 STEVE: All right.  
18 JIM: No formal charge. No indictment has  
19 been sought against them. Okay?  
20 STEVE: Okay.  
21 JIM: They are in our protective custody.  
22 Okay?  
23 STEVE: Um-hum.  
24 JIM: And to keep them there, we've got to  
25 have a reason. The courts won't allow us to say well,  
we're not letting this person leave because we don't

1 want to. Okay?

2 STEVE: Got 'cha.

3 JIM: So we have to have a reason for the  
4 court. Our reason is the conspiracy, the murder. You  
5 know, that's our reason. Okay? That's why we -- in  
6 other words, that's what we say. This is the reason  
7 we're going to keep them here now. We don't decide  
8 charges to police. That has to go before a Grand Jury.  
9 You understand that?

10 STEVE: Um-hum.

11 JIM: And Wayne will explain that to you.

12 STEVE: Well, you know, what I really think  
13 -- I talked to four girls that were here Sunday and  
14 they all gave me the same account when the vehicles  
15 came in of who started -- I mean, that -- I must admit,  
16 you know, that bothers the heck out of me.

17 JIM: Oh, I understand.

18 STEVE: And I know that you -- that the  
19 bureaucracy above you has done this with a lot of  
20 people for a lot of time over the years, but this is  
21 all going to come out in the wash. One day you and I  
22 are going to die. It may be me or you --

23 JIM: But, Steve, this needs to come out in  
24 the courtroom and --

25 STEVE: Oh, do you think it does?

JIM: Oh, I think it does.

1 STEVE: You think one will get a fair chance,  
2 do you? I mean, I'm willing to do it any way, but I'm  
3 here to tell you that according to the Bible and it's  
4 true, according to God's word, the corrupt minds and  
5 hearts of men and their selfish designs --

6 JIM: Well, Steve, if you come out, only if  
7 you come out, will your side of the story be heard.

8 STEVE: I realize that and --

9 JIM: Nobody's going to hear it in there.

10 STEVE: No, no, no, no. But I'm just talking  
11 to you right now about principles. I'm not talking  
12 about what we're going to do or not. We already told  
13 you and the only reason why we're still here, the only  
14 -- there's no excuses. There's no reasons. Because  
15 these people, they're said in their minds yesterday --  
16 everybody got dressed, got ready. In fact, they didn't  
17 -- like I told Henry, they didn't even change their  
18 clothes. Most of them sat up all night.

19 JIM: I know, but listen, Steve.

20 STEVE: Yeah.

21 JIM: Do you think really that we're going to  
22 prosecute two elderly women?

23 STEVE: No.

24 JIM: We're not. Come on. Now, I'm telling  
25 you straight.

STEVE: Well, I really -- in all honesty, I

1 | don't know anything for sure.

2 |           JIM: Well --

3 |           STEVE: I really don't. I mean, I've seen

4 | some pretty bizarre things that have happened and

5 | injustice and so forth and --

6 |           JIM: Why didn't you come out yesterday?

7 |           STEVE: What do you mean?

8 |           JIM: I mean why didn't you come out? We, we

9 | wanted you to come out and --

10 |           STEVE: I don't quite -- what do you mean

11 | come out?

12 |           JIM: I mean as a whole group. How come you

13 | guys decided to, to change?

14 |           STEVE: Oh, because. That's what I told you.

15 |           JIM: Because of --

16 |           STEVE: David. We were ready to -- in fact,

17 | I was down at another spot and I was waiting for them

18 | to bring him out the door or to the door and I was

19 | wondering what was taking place, so I went back to see

20 | what was going on and he wanted to pray before he left.

21 | They hadn't quite moved him. The cot was right next to

22 | him.

23 |           JIM: Okay.

24 |           STEVE: I was one of the guys that went out

25 | and got the cot.

          JIM: Well, look, Steve.

1 STEVE: Yeah.

2 JIM: We're ready to go as planned. Okay?

3 STEVE: I realize you are and I know how  
4 anxious you people are.

5 JIM: You know, I think --

6 STEVE: And I know you, I know you want him.  
7 That's been very clear from Day 1. I realize that.

8 JIM: Okay. We're ready, we're ready to go  
9 as planned. I want you to take some time, you know.  
10 Have the group prepare to leave according to our  
11 original plan. Okay? We are concerned for everyone.  
12 We've talked to a doctor this morning.

13 STEVE: Uh-huh.

14 JIM: That's where I've been, talking to a  
15 doctor, concerned about the wounds on David and the  
16 others, and I'll tell you what he told me.

17 STEVE: All right.

18 JIM: These are some things that we're  
19 worried about, frankly. Okay? After this period of  
20 time, three days, we're starting to worry about blood  
21 poisoning, gangrene, infections, loss of limbs. You  
22 know, we know Scott's shot in the leg. I thought you  
23 might have been wounded in the hand.

24 STEVE: No, not me.

25 JIM: That wasn't you? Okay. Winston maybe  
was wounded in the hand? You know, we're talking

1 | about --

2 |         STEVE: Where did all these rumors come at --

3 |         JIM: No, no. I asked, I asked David or --

4 |         STEVE: Okay.

5 |         JIM: -- or, you know, he told me some of  
6 | those. Scott told me he was hurt.

7 |         STEVE: Can you tell me or do you want to  
8 | still play a card game?

9 |         JIM: No card game.

10 |         STEVE: Okay. What about -- what happened to  
11 | Bob and Mike Schroeder and Delmar, as you call him?

12 |         JIM: Okay. Well, I already told you that we  
13 | arrested Delroy.

14 |         STEVE: Delroy. Okay.

15 |         JIM: Okay?

16 |         STEVE: What actually happened? Did they --

17 |         JIM: What happened --

18 |         STEVE: Were they coming down the road? What  
19 | was going on?

20 |         JIM: Those, those guys were coming across  
21 | the field back there.

22 |         STEVE: Walking?

23 |         JIM: Walking.

24 |         STEVE: Okay.

25 |         JIM: Okay? And they got engaged with the  
agents in the back in a gunfight.

1 STEVE: I see.

2 JIM: Okay?

3 STEVE: When -- that was about 6:00?

4 JIM: Yeah, that's right, uh-huh, and --

5 STEVE: Who -- well, it doesn't matter who  
6 started it.

7 JIM: Well, you know, I mean, you know,  
8 that's kind of hard to tell now. But, anyway, Delroy  
9 was captured and, you know, one guy's missing. We  
10 don't, we don't quite know where he is.

11 STEVE: That's not -- well, last night I  
12 talked to Henry and he said that basically it was true  
13 that -- it sounded like you had two guys -- no. Now,  
14 let's see. One guy died. One was wounded and taken.  
15 The two that -- the one that was wounded was also  
16 taken.

17 JIM: Okay. That's, that's not accurate. We  
18 didn't get anybody who was wounded. Okay? We didn't  
19 --

20 STEVE: So one guy is open and free right  
21 now, you're telling me?

22 JIM: Delroy Nash we have.

23 STEVE: Right.

24 JIM: Okay? And he was --

25 STEVE: Where's Bob, where Bob Kendricks?

JIM: We don't know. Now, there's one guy

1 missing. Okay?

2 STEVE: And what about Mike Schroeder?

3 JIM: Well, see, now I can't go by the names.  
4 I don't know the names. I only know three people.

5 STEVE: He's a young guy, probably 28 years  
6 old.

7 JIM: We don't --

8 STEVE: Short hair.

9 JIM: He's not, he's not a prisoner. We  
10 don't have him.

11 STEVE: He must be the guy that's dead then,  
12 huh?

13 JIM: Well, it's possible. I'm being  
14 straight with you.

15 STEVE: Well, last night Henry told me he  
16 knew, but wouldn't want to tell -- he didn't want to  
17 tell me because he wanted to use that as a bargaining  
18 chip.

19 JIM: Okay. Well, I'm sure what he knew is  
20 what I'm telling you, that we captured one. You know,  
21 one's missing. We thought one guy got back inside your  
22 compound, come back inside the house, so I think that's  
23 what Henry was going to tell you, that we captured one,  
24 one's missing, possibly dead. You know, like you say,  
25 MIA, missing in action. We don't know where he is  
because we haven't come back out there. And then one

1 | guy we thought -- they thought maybe one guy was  
2 | wounded, but we don't have him, so we thought he might  
3 | have got back inside.

4 |         STEVE: So you're telling me you only have  
5 | one person?

6 |         JIM: Just Delroy.

7 |         STEVE: And you -- there was not one that was  
8 | killed?

9 |         JIM: What -- something else I got to tell  
10 | you, Steve.

11 |         STEVE: All right.

12 |         JIM: Shift change is going to happen out  
13 | front.

14 |         STEVE: All right.

15 |         JIM: Okay? On those vehicles. Okay? And,  
16 | you know, we are going to take care of our people.

17 |         STEVE: All right.

18 |         JIM: Okay? We're keeping our people safe  
19 | and rested.

20 |         STEVE: Okay.

21 |         JIM: And we are going to look after our  
22 | folks.

23 |         STEVE: All right.

24 |         JIM: Okay? And we've insured that, you  
25 | know, our people that were injured got rapid medical  
care and quickly and we're going to keep our guys safe.

1 So what's going to happen with these trucks, they're  
2 going to start moving. You're going to see the trucks  
3 moving every three hours to change positions because  
4 we're going to take our people out and rest them.

5 STEVE: Um-hum.

6 JIM: Okay?

7 STEVE: Um-hum.

8 JIM: I mean, we just feel -- the commanders  
9 feel that, you know, these are our people and we're  
10 going to look after them.

11 STEVE: That's okay just as long, you know,  
12 if they're not on the perimeter, people don't get  
13 nervous, you know.

14 JIM: Yeah. Well, if you see them, they're  
15 moving because they're just changing the shift.

16 STEVE: I realize.

17 JIM: Okay. But, look, I think --

18 STEVE: But, see, the bottom line, Jim, is  
19 these people fear God first. That's the whole thing,  
20 not, not man.

21 JIM: Oh, I understand that. But don't you  
22 think that, that comes a point when you might have to  
23 take a, a leadership role if David's unable --

24 STEVE: Well, I do realize that, of course.  
25 Right from the beginning I've realized that.

JIM: If he -- if he's unable to make a

1 | decision, okay? No. Just listen to me for --

2 |         STEVE: Go ahead.

3 |         JIM: No. Just listen for a second. If he's  
4 | unable to make a decision, he may need you to do it.  
5 | Okay? Don't let him down.

6 |         STEVE: No. I mean, I see --

7 |         JIM: You know what I'm saying?

8 |         STEVE: I mean -- how old are you, Jim?

9 |         JIM: 40.

10 |         STEVE: You are? I figured you were about my  
11 | age.

12 |         JIM: Um-hum. How old are you?

13 |         STEVE: I'm 43.

14 |         JIM: Okay.

15 |         STEVE: But, anyway, Jim, I mean, you've done  
16 | this. I can tell that it's your profession. You've  
17 | done this before. I can tell you've dealt with many  
18 | minds and so forth and negotiating and talking people  
19 | out of things and into things, but at the same -- and I  
20 | am logical.

21 |         JIM: Well, what I talked about is -- people  
22 | out of and in are the safety. That's all we're talking  
23 | --

24 |         STEVE: No. I know. From your perspective  
25 | and I agree and always have abided by the law and still  
   | do.

1 JIM: Steve?

2 STEVE: Yeah.

3 JIM: You know the reason I'm on the phone  
4 with you is because I was chosen because I'm honest. I  
5 have some integrity.

6 STEVE: I believe that.

7 JIM: You know, I'm not going to tell you any  
8 stories --

9 STEVE: Right.

10 JIM: -- because you wouldn't deal with me.  
11 You would hang up. We wouldn't communicate. So I  
12 never do that. I only tell you what's what. Okay?  
13 That's why they chose me. Okay?

14 STEVE: Um-hum.

15 JIM: I'm not a tactical man. You know what  
16 I mean?

17 STEVE: Right.

18 JIM: They're -- you know, those agents on  
19 the ground.

20 STEVE: Exactly.

21 JIM: I'm not that kind. But I just want you  
22 to think of it as one thing, that, you know, true love,  
23 which you have for David, I understand.

24 STEVE: I really -- I can't say that even. I  
25 can't say that. I mean, who do I love other than  
myself? I mean, all of us, you know, we're all selfish

1 | beings.

2 |           JIM: But, look, it's not always blindly  
3 | obedient.

4 |           STEVE: Well, of course not. It never can  
5 | be.

6 |           JIM: If someone, if someone --

7 |           STEVE: Let me say this, Jim, just so you can  
8 | get the right picture and not -- because of all that  
9 | you hear about all these cultic bizarre things and so  
10 | forth.

11 |           JIM: Oh, that's --

12 |           STEVE: Every day every human being here has  
13 | the freedom to come and go, number one. Number two is  
14 | every day ever since I met this person and I've gotten  
15 | involved with him there's never been a day where you've  
16 | got to make a new decision for that day whether you're  
17 | going to stay and work with the rest of the people on a  
18 | program. Every day, because of my carnality, the  
19 | flesh, my essential desires, of how I loved Hawaii,  
20 | surfing, mountain climbing, being out in the mountains  
21 | and on all the beaches, every day my mind reverts back  
22 | to going back to that. But, see, when I look back at  
23 | the life of the apostles, and I'm not into going out of  
24 | my way to abuse the body, to get rid of sin or anything  
25 | like that. I'm not in -- no monk or anything, but the  
point is if there's a vision to be caught in the final

1 | days that all the prophets saw what's going to happen  
2 | in this world, it's either a bunch of baloney or it's  
3 | true. Now, there's -- I have learned and this -- it's  
4 | funny, but out of five-and-a-half billion people in  
5 | this world there are not that many people that give a  
6 | crap about truth or what truth is. They want to have  
7 | their theories about it. They want to deceive  
8 | themselves, lie to themselves, but either that Bible is  
9 | a bunch of hocus-pocus crap -- and the ministers of the  
10 | world, all they can do is take a flowery text here and  
11 | there and sermonize with people. All those people do  
12 | anything they want to do. Well, that's not the way it  
13 | was with the life of the early Christians and I  
14 | realized that all my life, so I really wondered, am I  
15 | really a Christian because I am not sure doing what the  
16 | apostles and the people that they converted were doing.  
17 | So, see, so these people here, they may seem loony and  
18 | you've heard the rumors and things, maybe some  
19 | seemingly strong evidence about David when you came out  
20 | as an agency to -- with a warrant, as you say.

21 |           JIM: Well, Steve, let me ask you.

22 |           STEVE: Yeah.

23 |           JIM: You know, how would you characterize to  
24 | me, David's -- you told me you don't like lies and I  
25 | agree with you but, I mean, David broke his word. I  
   | mean, he told me and the world he was going to come out

1 and, I mean --

2 STEVE: Have you seen our flag yet?

3 JIM: Yeah. I know you have a flag.

4 STEVE: What's on that flag? There's a

5 --

6 JIM: The Star of David.

7 STEVE: There's a serpent. Yeah. And it's a  
8 stylistic Star of David. It comes from Isaiah 14.  
9 It's called the fiery, flying serpent. It was a  
10 serpent that deceived Eve and Adam into sin and what we  
11 now have as --

12 JIM: But, Steve --

13 STEVE: -- 6,000 years of death. But in the  
14 Bible Christ is lifted up on the cross. As it says in  
15 John 3 and 8 and all ye -- as a serpent.

16 JIM: Steve? Steve, listen to me.

17 STEVE: Yeah.

18 JIM: If you --

19 STEVE: You don't understand what I'm saying.  
20 I mean, you've got to also listen, too. If you're  
21 going to raise the issue about integrity, lying and so  
22 forth or holding one's word --

23 JIM: Oh, I'm not.

24 STEVE: -- I'm going to explain you  
25 something, how God sees mankind. All of us, according  
to the word of God, are liars anyway.

1 JIM: But, Steve --

2 STEVE: You are. I am. You may look at  
3 yourself overall and think you do pretty good and so do  
4 I.

5 JIM: Wait, Steve, though.

6 STEVE: Go ahead.

7 JIM: You've tried to explain what happened,  
8 but you kind of avoid the question and the question is  
9 --

10 STEVE: No. I was going to get into that --  
11 that's what I was going -- I was going to show you how  
12 and where we come from.

13 JIM: Yeah.

14 STEVE: But this God that has led David and  
15 the reason why I'm here, Jim, I can't get around it. I  
16 know you don't buy that kind of crap.

17 JIM: No. That's not the point.

18 STEVE: And I know you don't buy it, but the  
19 thing is that God told him to wait.

20 JIM: Yeah.

21 STEVE: Now, I mean, he would give up -- he  
22 will in this life -- when I first met him he told me  
23 about a year's experience that he was taken --

24 JIM: But, Steve, let me ask you something.

25 STEVE: Okay. I know you're not -- you don't  
want to hear.

1 JIM: No.

2 STEVE: I'm talking to a brick wall, so go  
3 ahead and tell me what you would like to tell me and  
4 --

5 JIM: No. No, that's not true. I did hear  
6 what you said and I --

7 STEVE: Go ahead. What have you got in mind,  
8 Jim?

9 JIM: No. I, I appreciate what you said and  
10 I understand it. I do. I really, I really do.

11 STEVE: Go ahead. What do you want to tell  
12 me?

13 JIM: Well, I just feel like, I mean, that  
14 what you're telling me is that God sent a message to  
15 David not to keep his word and I --

16 STEVE: Here we go again. Now, I'm going to  
17 -- I can give you enough scripture where you go look at  
18 it -- okay. Satan deceived mankind, lied to mankind,  
19 into death. That's why in John 8:44 it says that Satan  
20 was the father of lies, a deceiver. But then Christ  
21 comes along as a serpent also, is lifted up on a cross  
22 as a serpent. In the book of John it shows why, to  
23 deceive man back into the truth, and it says -- read  
24 Revelation chapter 18, how one is to render unto  
25 Babylon and double what she's done to all mankind.  
What does that mean, Jim?

1 JIM: I understand.

2 STEVE: This whole world has lied to you and  
3 I. We've come up in systems and in humanity where,  
4 where life is held out on a platter to us like it's  
5 something so great but it comes to an end. You can  
6 have an accident. This and that can happen to you. So  
7 my -- all my life, as a little kid seeing death right  
8 away when I was small, I want more and I believe that  
9 I'm a complex being and that there's a great mind up  
10 there that had something to do with my creation. So --  
11 hello?

12 JIM: Steve?

13 STEVE: I --

14 JIM: Go ahead.

15 STEVE: I realize I -- I don't mean to be  
16 boring you by this.

17 JIM: No, no, no. Go ahead. Somebody was  
18 talking at me about this generator that's going to come  
19 on out there.

20 STEVE: A generator?

21 JIM: You got some big generator plant out  
22 there?

23 STEVE: Do we have a --

24 JIM: Not you have it, but it's across the  
25 highway, some giant electric generator plant?

STEVE: I don't know anything about it.

1           JIM: It's got a big -- a bunch of big lights  
2 on it, they told me, and they, and they shut the  
3 generator down and it makes a big noise like a jet  
4 engine.

5           STEVE: Are you talking about something we  
6 have?

7           JIM: No, no, no, no. Across -- south on the  
8 farm road down there.

9           STEVE: Okay.

10          JIM: Texas Power and Light has a giant  
11 plant, station, there.

12          STEVE: Oh, oh, oh, okay. Got 'cha. Got  
13 'cha. Got 'cha.

14          JIM: Okay. And the commanders are passing  
15 the word in that they're going to cut that generator  
16 and it's going to make a big -- we're not cutting it.  
17 Texas Power and Light does this once a week or  
18 something and that they have a big noise and they just  
19 didn't want it to upset you.

20          STEVE: Oh, okay.

21          JIM: That's it. That's it. But, listen. I  
22 want to tell you, Steve.

23          STEVE: All right. Go ahead.

24          JIM: I don't pretend, I don't pretend --  
25 let's be frank.

          STEVE: Okay.

1 JIM: I don't pretend to have your spiritual  
2 perspective and the understanding of the scriptures you  
3 have.

4 STEVE: Right.

5 JIM: If I was trying to be coy with you, I  
6 would say oh, yeah, you know, let's talk in those  
7 theological terms. I'm being straight with you. Okay?  
8 I'm a policeman and I, I don't -- you know, I'm not  
9 trying to talk on your level. Okay? You've got to  
10 bear with me on that.

11 STEVE: But I don't want to be theological  
12 with you. You're a person. You've got life right now.  
13 I've got life. That's a fact. You and I would come to  
14 an agreement on that. But how long does this life  
15 last?

16 JIM: But you need to talk in terms --

17 STEVE: How did we get here? Where are we  
18 going? That's why I'm here because there's information  
19 that shows a way out of this.

20 JIM: But we need to talk in terms that I can  
21 understand, in logical terms.

22 STEVE: Well, you could if you chose to, but  
23 you don't choose to, but I'm going to respect that.

24 JIM: No.

25 STEVE: That's between you and if there's a  
God in your mind or whatever kind of God it might be.

1 JIM: Well, what I choose to do, and I think  
2 what you choose to do also, is to make everyone safe  
3 and --

4 STEVE: No, no, no. That's where you and I  
5 do differ.

6 JIM: Well, how does it help --

7 STEVE: It doesn't. Safety is not the first  
8 thing in my mind. I mean, this world is not a safe  
9 place. You can do what you want to try to remain that,  
10 that way in some degree. No. My main goal is to make  
11 sure that I'm right with a God is there is a God, that  
12 I may gain a better life that does not end.

13 JIM: Um-hum.

14 STEVE: That's what my goal is. And all  
15 Christians should -- if they know anything about the  
16 Bible, all Christians of all denominations will tell  
17 you the same thing.

18 JIM: Um-hum.

19 STEVE: So safety -- yeah, really. I mean,  
20 I'm not going to go out and say I'm some kind of a  
21 hero, nor do I want to -- I'm not into this nonsense, I  
22 mean, obviously of -- one cannot go commit suicide and  
23 things of that nature.

24 JIM: Yeah. You mean you don't want the  
25 people to be safe anymore?

STEVE: No. That's not at all what I said.

1 JIM: Okay.

2 STEVE: But the main issue -- I don't want to  
3 get away from the main issue of why I'm here and the  
4 whole reason for this.

5 JIM: Um-hum.

6 STEVE: But safety is not the number one  
7 thing.

8 JIM: Well, come out. You know, we want you  
9 to come out so your message can get out. I don't see  
10 --

11 STEVE: I don't believe -- I mean, I'm going  
12 to be coy with you. I'm going to be straight with you.  
13 I do not believe that for a moment, of course, but at  
14 the same time I'm going to still work with you and  
15 we're going to still do what -- he said that. I still  
16 believe --

17 JIM: Didn't we give an opportunity now,  
18 Steve?

19 STEVE: Yes, we did. That's like -- I  
20 totally agree with you. I totally agree with you.

21 JIM: And we kept our part of the bargain.

22 STEVE: I believe you did, but he told me  
23 some things that -- I suppose I should have written it  
24 down in detail and given it you as you said it because  
25 I was just talking with him back just before you  
called.

1 JIM: All right. Look, Steve --

2 STEVE: And about this whole thing about  
3 lying and deceiving and all the rest. With your agency  
4 right from the beginning, I'm talking about.

5 JIM: Um-hum.

6 STEVE: And what your agency has done in the  
7 past with people, an inside record, of course. I mean,  
8 to tell you the truth, I see you agency and other  
9 agencies like yours as Big Brother. I really do.  
10 That's -- one way or the other I see that happening  
11 because, of course, I believe that there is a  
12 trilateral commission and a council on foreign  
13 relations. The Bible says merchants would be the great  
14 men of the earth and by their sources they deceive all  
15 of mankind.

16 JIM: Um-hum.

17 STEVE: You're right in the system.  
18 Revelation 13, "All the world wonders after the beast  
19 and worships the dragon," which is the devil, so if  
20 there's a God, if that Bible's true, that's what you  
21 and I are both doing, but I acknowledge it. And then  
22 there's a way that the Bible shows to get out of this.

23 JIM: Well, you have to acknowledge that,  
24 that we've kept our word about getting your message out  
25 on the mediums.

STEVE: And right now the people are still

1 prepared to leave, but I told -- one thing they won't  
2 do -- the same guy that opened up the Bible who we  
3 believe is divinely inspired is the one that he's --  
4 everything he's done he's been directed by.

5 JIM: Well, if you come out, you know,  
6 then --

7 STEVE: We didn't say we weren't. In fact,  
8 we've never --

9 JIM: I know that. I know that. I agree  
10 with you, but I'm just saying --

11 STEVE: Why we're waiting -- in fact, why I  
12 don't know. Maybe it's like I said to Henry. Maybe  
13 it's a test for me because of my lousy faith or  
14 something. I don't know. But the whole thing is for  
15 us if that's what's -- that's first in my life. That's  
16 what I chose to be first six-and-a-half years ago and  
17 it's only developed --

18 JIM: Steve?

19 STEVE: -- to be stronger.

20 JIM: How can we guarantee that your message  
21 will go out when you, when you come out? I mean, how  
22 can we guarantee that to you? You know I keep my word  
23 and if you come out -- you know, one benefit of coming  
24 out besides safety, medical treatment, is that --

25 STEVE: I realize all that. You know, you  
could offer me everything in this world --

1 JIM: Steve?

2 STEVE: -- and it still wouldn't change if  
3 his God which showed me this -- all these other truths  
4 said wait. I can't -- look it. I fear God.

5 JIM: I know.

6 STEVE: See, you don't understand. If you  
7 ever read the Bible -- okay. You're off again.

8 JIM: No. No. Go ahead.

9 STEVE: Okay. The bottom line is we have --  
10 we fear God. If you read the Bible and you see what  
11 God is going to do to people who have rejected  
12 opportunities to see what he has as a truth in the  
13 final days -- take a look and see what God's going to  
14 do to people that discount that kind of grace and a  
15 gift like that, a free offering, to all of us that are  
16 so wicked and so innately selfish, when everything  
17 revolves around our own little spectrum of a world.

18 JIM: All right.

19 STEVE: I mean, and you don't see it. You're  
20 not convicted by it. That's fine. But I am, you see,  
21 and you don't understand my phrases when I say  
22 something --

23 JIM: No, but I appreciate --

24 STEVE: -- like being -- having a fear for  
25 God.

JIM: No, but I appreciate your position.

1           STEVE: I don't want to die and find myself  
2 in the wrong place. I know I must give an account to  
3 God for all things. I know that. So that's why  
4 everything I do on a day by day basis, moment to  
5 moment, is thought out. And I was asking God -- if  
6 there's a God, look, I'm asking for wisdom. Give me  
7 discernment. So, I mean, even in a time like this I --  
8 that's why I say I appreciate everything you're saying.  
9 If I was sitting in your chair with your lack of my  
10 understanding, I'd probably be saying the same thing to  
11 me, Jim.

12           JIM: Well, Steve, let's just say this. I  
13 mean, you can say that I don't understand, but you  
14 can't say that I don't appreciate your feelings --

15           STEVE: No, I would not --

16           JIM: -- and I do appreciate your feelings.

17           STEVE: You're right. I would not say that.

18           JIM: And I am concerned about you and I am  
19 concerned about David and all of the other people.

20           STEVE: I believe that. I believe that.

21           JIM: I care about what is going to happen to  
22 all of you. I'm telling you that sincerely. And last  
23 night after I left here, I mean, I was really hurt and  
24 I had to walk around two hours alone, you know, just  
25 because we couldn't come together. You know, I was  
under a lot of pressure, but I thought man, you know,

1 | you guys -- I just don't want nothing, nothing else to  
2 | happen to you. I was devastated by it and I was really  
3 | hurt. I couldn't sleep and, in fact, they almost  
4 | pulled me off of the phone today and wouldn't let me  
5 | come back. And I asked them if I could, you know. And  
6 | I said don't, I said don't do that because, you know,  
7 | we've established a working relationship and --

8 |           STEVE: So basically I guess the FBI has  
9 | taken over to run the operation, other than yourself.

10 |           JIM: No. That's not true.

11 |           STEVE: No?

12 |           JIM: The FBI is helping and the ATF's  
13 | helping and the police are helping. Everybody's  
14 | working together. There's no taking over really. But  
15 | I just held out a lot of hope and promise yesterday  
16 | that a lot of good things were going to happen.

17 |           STEVE: What has Robert Gonzalez had to say  
18 | about all this since? I mean, I'd sure love to hear  
19 | what's on his mind about the whole thing.

20 |           JIM: I haven't seen him.

21 |           STEVE: You haven't, huh?

22 |           JIM: Let's you and me agree that --

23 |           STEVE: No. I'm just -- you know, I'm just  
24 | thinking about it. I mean, I really -- I'm telling you  
25 | I like that guy and --

          JIM: Yeah.

1           STEVE:  -- and I'm just curious as to he  
2 probably would leave here and say what a bunch of nuts.  
3 You ought to hear this crap and I'm just curious as to  
4 where the man really was.

5           JIM:  Oh --

6           STEVE:  I mean, I always did want to know.  
7 I, I must admit I never really bought that he was  
8 coming over for studies.

9           JIM:  Listen.  Let's you and me keep -- agree  
10 on one thing.  Okay?

11          STEVE:  I'm listening.

12          JIM:  That we're going to keep communicating  
13 and --

14          STEVE:  That we'll do.

15          JIM:  -- and act as colleagues here.

16          STEVE:  That we'll do.

17          JIM:  And that, despite what little hills we  
18 might encounter, okay --

19          STEVE:  Right.

20          JIM:  -- like the fact that, you know, I  
21 might not be able to stand -- understand the scripture  
22 or -- but, please, keep it in your heart that I'm  
23 sincere, that I appreciate your belief.

24          STEVE:  Okay.  Do you know what?  Yesterday  
25 David read to Henry a chapter out of Nahum.  He didn't  
get to the second chapter which talks about in the

1 | final days the prophets saw -- and, of course, they did  
2 | not have the vocabulary, the words that we have today,  
3 | so he never saw -- or had words to describe what he saw  
4 | in the future, and that was chariots of flaming torches  
5 | which are really tanks, but if today you have some time  
6 | and if you're not talking to me, read Nahum 1 and 2.  
7 | That's what is happening right here. It really is  
8 | happening here. In the final days God's got a way to  
9 | bring about some issues, but the world doesn't want it.  
10 | They're happy in the way life is and just acknowledging  
11 | their plastic God. That's basically what it is. No  
12 | one has learned. All throughout the Bible and the last  
13 | messages you find in the book of Revelation is fear  
14 | God, fear God, fear God. Mankind does not.

15 |           JIM: Yeah. I understand.

16 |           STEVE: And, see, that's the only -- that's  
17 | the bottom line I can say of even why I'm here.  
18 | Otherwise, I'd have jumped on a jet months ago, years  
19 | ago, gone back to Hawaii, lived a decent life, been a  
20 | good community neighbor man and all, raised the family,  
21 | like I've always wanted to do and was in the process of  
22 | doing until this here turned my whole world upside down  
23 | of, of hearing these things out of a book that I can't  
24 | controvert that are very logical, that are very clearly  
25 | there, but -- okay. Well, keep the lines --

          JIM: Steve?

1 STEVE: Yeah.

2 JIM: Can I ask you to do something for me?

3 STEVE: Possibly.

4 JIM: If you can. I'd really appreciate it.  
5 These commanders have really been on me -- my back  
6 since last night. They're kind of saying well, you  
7 know, this isn't going like we wanted it and all that.

8 STEVE: Well, what would they like to do  
9 then?

10 JIM: Well, it's not what they want to do.  
11 It's what I want to do.

12 STEVE: Okay.

13 JIM: Okay? I'd like you to send me out a  
14 couple of kids so I can kind of show them that we're  
15 back working together and --

16 STEVE: I'll ask him, but I mentioned it to  
17 him last --

18 JIM: And then I can -- and one thing I can  
19 do --

20 STEVE: Well, I don't want you to waste words  
21 because I mentioned it to him last night more than once  
22 and he said to me his God said wait.

23 JIM: Okay, but what I --

24 STEVE: And then I -- then afterwards I  
25 mentioned it again because Henry called back with the  
same -- you know, Henry's very good about saying the

1 same thing ten -- I says, "Henry, look, I'm not a  
2 totally ignorant man. I heard what you said. I don't  
3 have a problem with what you said. I understand it. I  
4 see it clearly, but the whole thing is I'm waiting on  
5 this man, the reason why I'm here, and the God he  
6 fears, which is more than yourself, he will put first."  
7 And it's not -- in fact, if anything, he has a love for  
8 you people. He wants you to see the scripture even  
9 though you disregard it, you don't believe it, but  
10 these things are going to happen. God's going to turn  
11 this world upside down. Read Isaiah 24. I know you  
12 don't see that it's physically possible that it's --  
13 that anything like that could happen, but -- well,  
14 whatever.

15 JIM: Well, Steve, I guess what I'm --

16 STEVE: Okay. I'm going to -- I'll go talk  
17 to him again and see if he -- you know, if we can do  
18 that or if he will or whatever.

19 JIM: Okay. I guess, you know, what I'm  
20 trying to say is if we can get some kids out, I think I  
21 can convince the commanders that we ought to send in a  
22 better telephone for David, you know, and --

23 STEVE: Jim, you are funny. As if, you know,  
24 I mean, really the phone as far as David sees it is  
25 more for yourself than it is for us.

JIM: But you guys asked for it. I didn't

1 --

2 STEVE: No, no, no, no. I know it, but it's  
3 because of the communication to you because we want to  
4 see you make it.

5 JIM: Yeah. The communication benefits  
6 everyone. I mean, it's not for my --

7 STEVE: No, no. I agree with that. I agree  
8 with that, but -- you know, I mean, he doesn't -- he  
9 won't bargain. I mean, when he says something he means  
10 it because it's from that same source, meaning God.

11 JIM: Well, I'll tell you.

12 STEVE: Okay. Go ahead.

13 JIM: Steve, I believe that and I want to  
14 believe that but, you know, we broke down a little bit  
15 yesterday because of his agreement and stuff. And I'm  
16 now just concerned --

17 STEVE: And I can understand that. Even I  
18 would have -- in your place I would have myself. In  
19 fact, humanly it, it bothers me also. It does. In  
20 honesty it does.

21 JIM: Well, talk to David about the kids --

22 STEVE: All right.

23 JIM: -- and the telephone. I'd like to --

24 STEVE: I will do that. I will do that.

25 JIM: -- do that. I mean, I'd like to --  
they passed me a note here. "The power company just

1 | called. Expect a loud boom soon." That's from their  
2 | generator.

3 |               STEVE: Well, I've never heard one. We've  
4 | been here for six-and-a-half years. I don't recall  
5 | ever hearing a loud boom.

6 |               JIM: Then you won't hear it.

7 |               STEVE: Huh?

8 |               JIM: Then -- they say it happens all the  
9 | time.

10 |              STEVE: Well, okay. I see what you're  
11 | saying.

12 |              JIM: So then you probably won't hear it. We  
13 | didn't know if --

14 |              STEVE: Okay. Well, that's a -- I must say  
15 | that that's real kind of you. I'm glad you --

16 |              JIM: We just didn't want you to get upset.

17 |              STEVE: Right. Okay. Okay.

18 |              JIM: What about the kids now. Can you talk  
19 | to David and --

20 |              STEVE: I will. I honestly will. I'm going  
21 | to leave here. I'm going to go back up there. But if  
22 | I don't call you back right away, well, just take it  
23 | for now that he's still waiting. Is that okay?

24 |              JIM: Yeah.

25 |              STEVE: But if I've got something I can tell  
   | you for sure, I will.

1 JIM: Ask him. Okay, Steve.

2 STEVE: You know I'm going to. You know that  
3 I'm going to.

4 JIM: I believe you, but ask him if he'll  
5 call me. - I'd really like to speak with him.

6 STEVE: Okay. I'll ask him. But I don't  
7 even know if we can get out because the -- 99 percent  
8 of the time -- I was told by Henry the other night that  
9 all I had to do is pick up the receiver itself and it  
10 would automatically go through. Well, that was not so.

11 JIM: No. That --

12 STEVE: And then I'd start dialing the same  
13 number. I'd get to the first three digits and it did  
14 not work.

15 JIM: Okay.

16 STEVE: So I don't know what you're doing  
17 with the phone. Sometimes you've got them working --  
18 (End of Tape 24.)

TAPE 25

MARCH 3, 1993

1 (Tape 25)

2 STEVE: -- people coming out. You see what  
3 I'm saying? We asked for it two days ago or whatever  
4 and it never came, so that's okay, though. We're  
5 making do with what we got. I'm still talking with you  
6 and I choose to and will continue to do so.

7 JIM: Well, we, you know, we --

8 STEVE: And I will tell you again I am also  
9 disappointed that, you know, we didn't follow through,  
10 but he told me again that it has not changed, but he  
11 says his God told him to wait and that's what he's  
12 doing, so --

13 JIM: Okay. And I'm going to respect that.  
14 Okay?

15 STEVE: I tell you the truth. You know,  
16 humanly I'm embarrassed.

17 JIM: Steve, I'm --

18 STEVE: Could you appreciate that even?

19 JIM: Yes. I do appreciate it and I --

20 STEVE: Like you say the world yourself --

21 I'm just embarrassed even if it's one other human  
22 being, if I'm telling someone the truth. My integrity  
23 is at stake.

24 JIM: Well --

25 STEVE: I realize what it does to one's  
reputation after that point of time.

1 JIM: Well, let me say this.

2 STEVE: Okay. Go ahead.

3 JIM: And that is that a leader -- I respect  
4 you for saying that, first of all, but a leader has a  
5 lot of attributes and some of them -- courage. That's  
6 one, right? Would you agree?

7 STEVE: Yes, I would.

8 JIM: Conviction.

9 STEVE: Um-hum.

10 JIM: Which is something I think you have  
11 strongly, and a commitment, you know. And I've seen a  
12 lot of conviction, but I haven't seen that much courage  
13 or commitment. And I have to show my bosses, you know,  
14 that you guys will keep your word to me and I want to  
15 do that, and so if you will send some kids out and I'll  
16 send the phone in. I can say look, we had a breakdown  
17 yesterday, but --

18 STEVE: Jim, how come you didn't hear me what  
19 I said? I mean, I -- look, I can't, I can't do  
20 anything, honestly. I'm going to try. Now, that's  
21 what I'm telling you. I'm going to try.

22 JIM: Okay.

23 STEVE: But, you know, that -- it won't --  
24 nothing will ever be contingent on that.

25 JIM: That's okay.

STEVE: If you sent in a --

1 JIM: That's okay, Steve. I understand.

2 STEVE: Okay. A trailer full of gold or  
3 whatever else. Okay. I know you got it again. I  
4 think once in awhile you and I get sidetracked and --

5 JIM: Yeah.

6 STEVE: -- just come back to the same issues,  
7 but I know you're anxious --

8 JIM: We're like brothers. Hey, Steve --

9 STEVE: I know -- huh?

10 JIM: Like brothers.

11 STEVE: Oh, yeah. I'm sure we could have had  
12 a good game of football, but --

13 JIM: Yeah.

14 STEVE: -- anyway.

15 JIM: Well, that's nothing. I mean, heck,  
16 we're just, we're just two guys trying to work out a  
17 difficult situation.

18 STEVE: Yeah.

19 JIM: And, you know, don't you ever think  
20 that I take anything by it. I appreciate your hanging  
21 in there.

22 STEVE: No, I really -- no, and neither am I  
23 easily offended. I'm not. You know --

24 JIM: I'm not either.

25 STEVE: -- people can say a lot to me and I  
realize that because of, you know, background,

1 | genetics, upbringing, false reports, whatever else. It  
2 | can be a combination of those things. That's how a lot  
3 | of people come to the conclusions, so I --

4 |           JIM: Well, we got to hang in there for the  
5 | children. They can't speak for themselves.

6 |           STEVE: Well, let's hang in there for all of  
7 | us.

8 |           JIM: That's right. Let's do that and --

9 |           STEVE: I mean, I don't choose to die anymore  
10 | than the children do. I still love life as much as I  
11 | did when I was five or ten.

12 |           JIM: Nobody said die. We're going to work  
13 | through this.

14 |           STEVE: Well, this is what I'm talking about,  
15 | too, you know. I mean, none of us here choose to die  
16 | or do we choose to cause problems or bring in --  
17 | anybody else's life into, you know, anything but keep  
18 | everything safe.

19 |           JIM: Steve, let's take a break and leave  
20 | somebody by the phone in case I need to --

21 |           STEVE: Well, right now -- let's see. I'm  
22 | over here by myself.

23 |           JIM: Okay.

24 |           STEVE: I don't know. Every -- I think  
25 | somebody -- they went to --

          JIM: Well, just when you, when you got out

1 -- off, you know, just send somebody back to watch the  
2 phone and --

3 STEVE: You mean to keep an eye out if you  
4 ring or --

5 JIM: Yeah. That's all.

6 STEVE: Okay.

7 JIM: And let me give you my number so you  
8 --

9 STEVE: Oh, let me write it down. It's same  
10 one, is it? Well, let me take it just in case.

11 JIM: Take it just in case.

12 STEVE: All right.

13 JIM: 799 --

14 STEVE: Okay, 799.

15 JIM: --0545.

16 STEVE: 0545.

17 JIM: Okay. Now, that other phone where --  
18 there's another phone somewhere. We talked to Wayne a  
19 couple times.

20 STEVE: Right.

21 JIM: Okay. Now, the way that works is, only  
22 that phone, if you pick the receiver up --

23 STEVE: Okay.

24 JIM: -- it rings the phone here.

25 STEVE: I see. So that's -- okay. This  
whole thing is so screwy the way these phones are.

1 JIM: Hey, it's my fault. I apologize. I  
2 should have explained it clearly before. Okay? It's  
3 my fault.

4 STEVE: Okay. So one of the other phones he  
5 has --

6 JIM: Well, wherever -- we talked to Wayne  
7 one time and he was on a different phone.

8 STEVE: Okay.

9 JIM: And if you just pick the receiver up,  
10 you don't have to dial or anything --

11 STEVE: All right.

12 JIM: -- it starts ringing and you'll get me.  
13 If you're at this phone, just dial the 799 number and  
14 you'll get me.

15 STEVE: Okay.

16 JIM: Okay. That was the glitch. I didn't  
17 explain it.

18 STEVE: I see. Okay.

19 JIM: Now, what I -- here -- here's what I  
20 want you guys to do for me.

21 STEVE: Okay.

22 JIM: Just relax.

23 STEVE: I'm listening.

24 JIM: Take a deep breath. Okay? We're going  
25 to work all this out. Talk to David and, you know, be  
in there fighting for us. Let's get it, let's get it

1 | resolved if we can. Okay?

2 |           STEVE: I sure want -- I sure wish that off  
3 | the record, off the line, I mean apart from all this,  
4 | I'd sure like to see ahead of time or hear from you  
5 | what you thought about how this whole thing came about.  
6 | I mean, really from your perspective.

7 |           JIM: Okay. You know, we --

8 |           STEVE: I mean, you as a person, you as a  
9 | human being who has to answer to God also.

10 |           JIM: If you come out, we'll talk. If you  
11 | come out, we'll talk.

12 |           STEVE: You understand what I'm saying?

13 |           JIM: Yes, and if you come out --

14 |           STEVE: You and I have talked over some time  
15 | and so forth. We've talked about honesty, integrity  
16 | and so forth and --

17 |           JIM: I'll tell you if you come out, we'll  
18 | sit down. We'll -- I'll tell you all about it.

19 |           STEVE: You'd like us to come out for that  
20 | very one reason then, right?

21 |           JIM: Well, I want you to come out for a  
22 | whole lot of reasons.

23 |           STEVE: No, I'm only -- I know. I'm --

24 |           JIM: I mean, you know, I want all those kids  
25 | and those --

          STEVE: I mean, really it's -- I mean, you

1 | know, I've listened to a lot of people having a lot of  
2 | things to say about all this and that, but I mean when  
3 | you think about who is all involved and, I mean, the  
4 | lack of safety from the beginning and then what you're  
5 | telling me now, you know, I mean, that, that's why, you  
6 | know, I want to believe you so bad and I'm doing the  
7 | best I can. I really am.

8 | JIM: Well, I'll tell you --

9 | STEVE: Especially with you as an individual  
10 | and you've been following through on that.

11 | JIM: Well, if we -- we'd been on the phone  
12 | to start with, we could have worked it out maybe.  
13 | Okay?

14 | STEVE: But this is what David has been  
15 | implying from -- right from the beginning, so when --

16 | JIM: Well, we can't change that.

17 | STEVE: -- you bring out things like that,  
18 | you know, he just has to smile to a degree.

19 | JIM: Well, let him, let him show me some of  
20 | that good faith then.

21 | STEVE: Okay. No, no. He -- but the first  
22 | thing he has is love for you as a person.

23 | JIM: Oh, I know that.

24 | STEVE: He would give you morning, noon and  
25 | night, any time of the day, to show up -- show you  
things that must be understood because ignorance is not

1 | bliss. Ignorance is not bliss.  
2 |         JIM: Okay. I got to go talk to these  
3 | commanders.  
4 |         STEVE: Okay.  
5 |         JIM: Hang in there with me now.  
6 |         STEVE: I will, and if you call back, I'll be  
7 | right back here.  
8 |         JIM: Okay, Steve.  
9 |         STEVE: Okay. And I'll try to work it out  
10 | where maybe you can talk to him on the phone or  
11 | whatever else.  
12 |         JIM: Do that. I need to do that.  
13 |         STEVE: Okay.  
14 |         JIM: Okay. Thanks.  
15 |         STEVE: Okay. Sure. Bye.  
16 |                 \* \* \* \* \*  
17 |         (Telephone ringing.)  
18 |         RACHEL: Hello?  
19 |         JIM: Hello. This is Jim.  
20 |         RACHEL: Hi.  
21 |         JIM: Who's this?  
22 |         RACHEL: Rachel.  
23 |         JIM: Hi, Rachel. Are you okay?  
24 |         RACHEL: Yes, just fine.  
25 |         JIM: Is -- can I talk to David, please?  
       RACHEL: Just a minute. Let me see if he's

1 | able.

2 | JIM: Um-hum. David?

3 | STEVE: Hello?

4 | JIM: Hello. This is Jim.

5 | STEVE: Yeah. Steve here.

6 | JIM: Oh, Steve. How are you doing?

7 | STEVE: Yeah, not too bad.

8 | JIM: I want to see if I can get David. Is  
9 | he around?

10 | STEVE: He's -- just a minute. Let me take a  
11 | look.

12 | JIM: Okay. Thanks.

13 | STEVE: I left him and he said to me, "Has he  
14 | read those scriptures yet?"

15 | JIM: No. I'm sorry, Steve, I haven't. I  
16 | called for a reason and that was to tell you that --  
17 | you know, you mentioned this morning about the, the  
18 | ladies, the two ladies --

19 | STEVE: Yes.

20 | JIM: -- that had a charge on them?

21 | STEVE: Right.

22 | JIM: And, you know, I wasn't aware of that  
23 | because I slept the whole night.

24 | STEVE: Oh, yeah, I can imagine.

25 | JIM: And so I went in there and -- in the  
Command Center in the back.

1 STEVE: Uh-huh.

2 JIM: I just raised hell with them and said  
3 what -- you know, what are you doing to these two  
4 ladies? You know, that's -- they said well, we, we  
5 didn't know. I said well, that's crazy, you know.  
6 Anyway, I made a big stink about it and made them get  
7 on the phone to the United States Attorney and they're  
8 dropping it and they're held only as material  
9 witnesses.

10 STEVE: All right. I mean, they don't --

11 JIM: No. They didn't do nothing. I --  
12 we --

13 STEVE: They neither do know. I mean,  
14 seriously.

15 JIM: Listen. We took care of it. Okay?

16 STEVE: Okay.

17 JIM: And they're going to be held as  
18 material witnesses for their safety.

19 STEVE: All right.

20 JIM: The charges were filed just to hold  
21 them.

22 STEVE: Yeah. When you said that, I figured  
23 as much.

24 JIM: But, but anyway, I want you to know  
25 that. Now, listen --

STEVE: Okay.

1 JIM: -- you know, I did it for you guys. I  
2 know you were worried about them and I met, I met the  
3 one lady --

4 STEVE: Right.

5 --JIM: -- in the hallway and she had a tape  
6 for -- you know, the tape to the, you know, radio.

7 STEVE: Okay.

8 JIM: You know?

9 STEVE: Right.

10 JIM: She was real nice. The -- they're  
11 having a news conference --

12 STEVE: Okay.

13 JIM: -- at -- right about now.

14 STEVE: Okay.

15 JIM: But I want to alert you to it. Do you  
16 have T.V. you can look at?

17 STEVE: Not right at the moment. We had one  
18 plugged in. What channel would it be on? We don't --  
19 I don't think --

20 JIM: Channel? It's probably all of them,  
21 you know.

22 STEVE: Oh, okay.

23 JIM: But some of the commanders are going to  
24 be on there live.

25 STEVE: Okay. Well, let's put it on then  
real quick. Do you mind?

1 JIM: No. Go ahead.  
2 STEVE: Could I talk to you a little later  
3 then?  
4 JIM: Yeah.  
5 STEVE: Yeah.  
6 JIM: Have David call me --  
7 STEVE: I'll try to do that.  
8 JIM: -- as soon as it's over.  
9 STEVE: Okay.  
10 JIM: Okay.  
11 STEVE: Bye.  
12 JIM: Channel 10. Channel 10.  
13 \* \* \* \* \*  
14 (Dial tone.)  
15 JIM: Hello?  
16 RACHEL: Hello?  
17 JIM: This is Jim.  
18 RACHEL: Okay. Just a minute.  
19 STEVE: Jim?  
20 JIM: Yeah. Steve?  
21 STEVE: Yeah. He said that there was no  
22 sound.  
23 JIM: Oh. Well, I got it here and there's  
24 sound.  
25 STEVE: Really?  
JIM: Yeah.

1 STEVE: Yeah. He didn't get -- he never  
2 heard anything. I didn't know if that was just the  
3 T.V. or the --  
4 JIM: It's the T.V. Did you see the picture?  
5 STEVE: Yeah, I got to see the picture.  
6 JIM: Yeah, because it's on here. It must be  
7 your T.V.  
8 STEVE: What was all said or what was the  
9 gist of it all? We heard the first part. It seemed to  
10 fuzz in and out a little bit and then it seemed like --  
11 it sounded like they could have been having troubles,  
12 too.  
13 JIM: It's still on.  
14 STEVE: It's still on? What channel do you  
15 have?  
16 JIM: Try channel 8.  
17 STEVE TO UNIDENTIFIED PERSON: Could you try  
18 channel 8 to see if that comes in?  
19 STEVE: The first part I did hear it did say  
20 something about that they were arrested and, you know,  
21 of course, about the charges.  
22 JIM: Yeah. But -- we were just watching on  
23 channel 8.  
24 STEVE: Okay.  
25 JIM: See if you can get it on.  
STEVE: He wanted, he wanted me to ask you,

1 | you know, you know, it's the kind of thing, you know,  
2 | it's not what's on your mind, but it's what's on his  
3 | mind, and he says, "Do you think that you should ask  
4 | yourself and the other agents do you think this country  
5 | is too big to be disciplined by God?"

6 |           JIM: Oh, no. That's -- you know, Steven, I  
7 | wish in hindsight that this whole thing could have been  
8 | approached in a different way.

9 |           STEVE TO UNIDENTIFIED PERSON: Oops. Careful  
10 | here. You're going to click them off there.

11 |           JIM: You still there?

12 |           STEVE: Yeah.

13 |           JIM: Do you know what I'm saying?

14 |           STEVE: Yeah, I do. I really believe that.  
15 | I mean, I do believe you mean that and I do myself. It  
16 | never would have had to come to anything like -- never.

17 |           JIM: No. I wish it was handled a different  
18 | way and I really think that ATF was --

19 |           STEVE: I feel bad. I really feel bad for  
20 | Robert's sake because if what -- the little bit I heard  
21 | on there was true about the missed signals or whatever,  
22 | he must feel awful because nothing would have ever  
23 | come.

24 |           JIM: Yeah.

25 |           STEVE: He should have known that by the  
demeanor and the spirit of David from spending time --

1 as much time with him as he did and with all of us.

2 JIM: Yeah.

3 STEVE: I never held back anything from him  
4 at all.

5 JIM: Well --

6 STEVE: There were times I felt like saying  
7 well, come on, Robert. You're an agent with BATF or  
8 FBI or who, you know, but I never did. I thought well,  
9 he must -- we -- he can't think that we're that stupid.

10 JIM: I know, I know what you're saying.

11 STEVE: But, anyway, you know, I'll tell you  
12 the truth. I still like the man and if something  
13 happened with their signals and then maybe it wasn't  
14 meant to happen as it did, I mean, I don't know, but I  
15 mean --

16 JIM: Well, I'll tell you there's, there's  
17 two things that I think did happen. I think ATF was  
18 probably supplied with some information from some --  
19 maybe -- I don't know -- people that don't like you. I  
20 don't know.

21 STEVE: Oh, that's -- that could be true.

22 JIM: You know, I don't know how that came  
23 about. I think you guys may have some enemies. I  
24 don't know.

25 STEVE: Well, we do. Marc Breault is the guy  
that has generated all this for the past two years.

1 JIM: Well, I'm not -- you know, I found bits  
2 and pieces but, you know, apparently a lot of people  
3 have told agents stuff. You know, the agents, they  
4 kind of act out as -- based on facts, you know.

5 STEVE: I would think so, at least to the  
6 best of their ability, but even myself, I've listened  
7 to -- I'll listen to individuals that have a debate or  
8 problems between themselves. Paints a pretty good  
9 picture.

10 JIM: Can you get that press conference on?

11 STEVE: Just a minute. They might have it  
12 on. Hang on one second.

13 (Press conference on T.V. heard in  
14 background.)

15 RACHEL: Jim? Jim? Hello?

16 UNIDENTIFIED MALE SPEAKER: Hello. Let me  
17 get him for you. Okay?

18 RACHEL: Can you -- sorry?

19 UNIDENTIFIED MALE SPEAKER: I need to get him  
20 for you. Hold on just a second. Here's Jim.

21 RACHEL: Can you just tell him to call back  
22 after this program is over?

23 UNIDENTIFIED MALE SPEAKER: Well, here he is  
24 right now. Hold on just a minute.

25 RACHEL: Okay.

JIM: Hello? This is Jim.

1 RACHEL: Can you just call back after this  
2 program is over we're trying to listen to?

3 JIM: Okay.

4 RACHEL: Okay. Thanks.

5 JIM: All right. Bye.

6 \* \* \* \* \*

7 (Telephone ringing.)

8 RACHEL: Hello?

9 JIM: Rachel?

10 RACHEL: Yes.

11 JIM: This is Jim.

12 RACHEL: Okay.

13 JIM: Is David there?

14 RACHEL: Just a minute. Let me see.

15 STEVE: Hello, Jim?

16 JIM: Steve.

17 STEVE: Yeah.

18 JIM: How are you doing?

19 STEVE: Hey, he was just asking me -- he was  
20 -- I was saying well, you were on the phone and would  
21 you want to talk to him and he said -- I tell you what,  
22 Steve, he said who I'd like to talk to -- he said I'd  
23 like to talk to Robert Gonzalez.

24 JIM: Oh. Well, I don't even think he's in  
25 Waco anymore. You know, they sent a lot of these  
agents, you know, back to their divisions and stuff.

1 STEVE: I -- it doesn't sound like you know  
2 for sure, though.

3 JIM: No. I can check. I can check.

4 STEVE: Okay.

5 JIM: Why does, why does he want to talk to  
6 him?

7 STEVE: Just a minute.

8 STEVE TO DAVID IN BACKGROUND: He wants to  
9 know why you'd like to talk with him?

10 STEVE: Because he still loves the guy.

11 JIM: Oh. Well, I understand. Let me check  
12 and --

13 STEVE: All right.

14 JIM: -- if I can't reach him, I promise I'll  
15 pass the message. Okay?

16 STEVE: Okay.

17 JIM: Did you guys get to see that press  
18 conference?

19 STEVE: Yeah. He was just watching it. You  
20 know, it was real poor for always hearing what the  
21 questioners were asking. Toward the end it became a  
22 little more clear.

23 JIM: Yeah. They were all yelling, you know.

24 STEVE: Right.

25 JIM: Do you think I could talk to David? Is  
he there?

1 STEVE: Well, let me ask him again. Okay?  
2 JIM: Ask him please for me.  
3 STEVE: Jim?  
4 JIM: Yeah.  
5 STEVE: He says you don't believe the word of  
6 God. He'll talk to you when he gets more information.  
7 JIM: Oh. Well, tell him that I do believe  
8 in God and you know that.  
9 STEVE: He says, he says you don't believe  
10 the word of God. Everybody believes in God, a god,  
11 whatever --  
12 JIM: Yeah.  
13 STEVE: -- whether it's themselves, but he  
14 says tell him he doesn't believe the word of God and  
15 he'll talk to him when he has more information.  
16 JIM: Okay. So he's going to talk to me  
17 later basically, right?  
18 STEVE: That's what it sounds like.  
19 JIM: What information?  
20 STEVE: I don't know myself, really don't,  
21 don't have the foggiest.  
22 JIM: Would you ask him for me?  
23 STEVE: What information?  
24 JIM: Yeah. Just ask him or maybe he'll tell  
25 me himself.  
STEVE: Jim, he's tell me -- he says he

1 | doesn't realize there's over a hundred statements in  
2 | the Bible forewarning man -- I had a time so they --  
3 | hello?

4 |               JIM: Yes. Go ahead.

5 |               STEVE: -- so they don't have to do certain  
6 | things about a man. He says there's over a hundred  
7 | statements about a man to come in the last days  
8 | contrary to what people will think. That's why in  
9 | Matthew 24, one of the last prophecies of Christ about  
10 | the final days, he talks about wheresoever the  
11 | carcasses, that is where the eagles be gathered  
12 | together and it has something to do with his second  
13 | return, so this is why you can ask your theologians and  
14 | any minister or priest, rabbis. They can't tell you  
15 | what that is, that carcass. Well, obviously it's a  
16 | dead body, but what eagles, what carcass? What's it  
17 | got to do with the second return of Christ? But he --  
18 | now, this is what you don't understand. If you ever  
19 | took the time, tonight, whenever, whether you believe  
20 | in him or not, Isaiah 40 to 66, Joshua 35, Ezekiel 20,  
21 | 36. All these places talk about a man in the last days  
22 | that's a sinner. He can do one thing, open up the  
23 | words of the book, open up the seven seals. Can't do  
24 | any miracles, doesn't raise the dead, heal the sick,  
25 | isn't a psychic, isn't anything else, but he does open  
-- if people have questions about life and death,

1 | eternal life, no matter what the question is, he will  
2 | show it in context from that book.

3 |           JIM: Well, I see. I get the, I get the  
4 | connection.

5 |           STEVE: We can't, we can't help but say it  
6 | over -- okay, for -- you know, can't help but say it  
7 | over and over again. We want to see you make it. I,  
8 | I, of course, detect, you know, you've got a job to do.  
9 | That's where you're at --

10 |           JIM: Absolutely.

11 |           STEVE: -- and you're trying to show me  
12 | kindness by even listening to me. I don't believe you  
13 | even really want to hear me but, you know, you're being  
14 | cordial about it. But, you know, I can't help -- but  
15 | getting back to -- I believe it. I believe the book  
16 | and I see the statements.

17 |           JIM: Sure.

18 |           STEVE: And if it wasn't for this situation  
19 | now, if you ever wanted to get the greatest debaters in  
20 | the world, any one of us would sit down with them, give  
21 | them their fair time and sit down. You would find out  
22 | quickly they and no one knows what they're talking  
23 | about that book. It's been opened up and it can't be  
24 | controverted.

25 |           JIM: Well, Steve, if it can't be  
   | controverted --

1 STEVE: It can't be.

2 JIM: Well, let me ask you this. If the  
3 parallel here is to the biblical, my recollection is  
4 that Jesus was tried by a court. Is that not right?

5 STEVE: Yeah. They didn't do too well with  
6 him, did they?

7 JIM: Nope. But wasn't he tried? Didn't he  
8 go before a, a magistrate or a judge?

9 STEVE: He sure did.

10 JIM: Well, I mean, how are you drawing a  
11 parallel here?

12 (Background conversation.)

13 STEVE: Jim?

14 JIM: Yeah.

15 STEVE: He'll talk to you.

16 DAVID: Hey, Jim.

17 JIM: Hey, David.

18 DAVID: I still love you, Jim.

19 JIM: Hey, how are you? I'm concerned.

20 DAVID: My pulse is up. I may be, I may be  
21 healed here in a couple days.

22 JIM: Yeah.

23 DAVID: And, people, I'm the fastest healer  
24 in the world, you know?

25 JIM: Yeah. Okay. Are you -- do you have  
any pain?

1           DAVID: Oh, yeah. I still got lots of pain.  
2 Yeah. You asked a good question about did Christ go  
3 before a magistrate.

4           JIM: Right.

5           DAVID: That's a good question.

6           JIM: Well, you know, Steve was telling me  
7 and I've just drawn so many parallels here that I'm  
8 just trying to see that, you know, maybe I should be  
9 realizing that that's -- that you're going to go before  
10 a magistrate.

11          DAVID: Okay. Now, here's the deal.

12          JIM: Okay.

13          DAVID: The night of Gethsemane. You told me  
14 you were a Christian man.

15          JIM: I am a Christian.

16          DAVID: Okay. What did Christ tell the  
17 disciples before they went to Gethsemane? What did he  
18 tell them to bring along?

19          JIM: Geez, David, I don't know. You tell  
20 me.

21          DAVID: Well, they brought two swords, didn't  
22 they?

23          JIM: Um-hum.

24          DAVID: And who told them to bring them?

25          JIM: Jesus. Okay.

          DAVID: Okay. Now, you know what a sword was

1 | back in the days of Rome, don't you?

2 |         JIM: Yeah. Yeah, I know.

3 |         STEVE: It was a military weapon, wasn't it?

4 |         JIM: Okay. What's a sword today?

5 |         DAVID: Well, today a sword is a Renaissance  
6 | type weapon. It's an ancient weapon. I mean, you  
7 | know.

8 |         JIM: Yeah. Okay. I'm listening.

9 |         DAVID: So when Christ stood before Pilate,  
10 | the prophet Zachariah had already said smight the  
11 | shepherd and the sheep shall be scattered.

12 |         JIM: Okay.

13 |         DAVID: But when they asked Christ in Matthew  
14 | 24 about his coming and the end of the world --

15 |         JIM: Right.

16 |         DAVID: -- the disciples were -- in their  
17 | minds they were thinking about what Daniel had foretold  
18 | in the ninth chapter. Now, you see, the prophetic  
19 | prophecies of Messiah all revolve around a principle  
20 | that God has always used such as the message of Jonah.  
21 | When Jonah was sent to Nineveh and he prophesied, all  
22 | the people repented, didn't they?

23 |         JIM: Yeah, um-hum.

24 |         DAVID: And so God stayed his judgments,  
25 | didn't he?

       JIM: Yes. That's right.

1               DAVID: So when Christ was teaching the  
2 gospel --

3               JIM: What's wrong with that -- I'm sorry.  
4 Go ahead, David. I heard a noise in here.

5               DAVID: Okay. When Christ was preaching the  
6 gospel, the people kept asking for more and more  
7 evidence, didn't they?

8               JIM: Right.

9               DAVID: I mean, defend 5,000 one day and the  
10 next day the same 5,000 rejected him --

11              JIM: Right.

12              DAVID: -- because he wasn't going to keep  
13 doing it, was he?

14              JIM: That's right.

15              DAVID: He made himself of no reputation,  
16 right?

17              JIM: Right.

18              DAVID: He tried to stay low, didn't he?

19              JIM: Right.

20              DAVID: He did all the miracles and all the  
21 original zealots that John the Baptist for following  
22 him until he began to speak words such as unless you  
23 eat my body and drink my blood, you have no life in  
24 you. But they said -- you know, they rejected it, so  
25 they followed him no more. Okay.

              DAVID TO UNIDENTIFIED PERSON: Where's the

1 Bible now? I want to read it to him from the King  
2 James.

3 DAVID: Let's take a look at something here.  
4 It's found in the book of John.

5 JIM: Hey, Dave?

6 DAVID: Yeah.

7 JIM: Excuse me just a second. Did you, did  
8 you see that news conference?

9 DAVID: Yeah. It was very -- the news, the  
10 news thing, I had a problem with projecting the audio.

11 JIM: Oh, you did? I'm sorry.

12 DAVID: So they're, so they're straightening  
13 it out.

14 JIM: Well, it's your T.V. because we had it  
15 clear here.

16 DAVID: No, no. What happened was -- and  
17 then it came through again.

18 DAVID TO UNIDENTIFIED PERSON: The blue  
19 Bible.

20 JIM: Oh, the channel did it?

21 DAVID: Yeah.

22 JIM: The broadcast? Oh, okay. Well, we've  
23 -- I guess on this -- this hearing here's probably on a  
24 hard line cable and maybe yours is a satellite dish or  
25 something.

DAVID: No. Mine -- the satellite's not

1 working.

2 JIM: Oh, okay.

3 DAVID: I couldn't get to it anyway.

4 JIM: Hey, I want to -- I had a doctor in  
5 here this morning.

6 DAVID: Uh-huh.

7 JIM: And I got ahold of him and I, I wanted  
8 to go over some things with you because I talked to him  
9 about your wound and he was just concerned about, you  
10 know, within three days here that we were going to have  
11 some gangrene --

12 DAVID: No. We don't have any of that.

13 JIM: -- blood poisoning or an infection or  
14 anything.

15 DAVID: No. We don't even have any of that.

16 JIM: He asked -- okay. Good. Good. I'm  
17 glad to hear that.

18 DAVID: The, the pus, there's no pus. The  
19 top hole and the -- well, even, event the gash that  
20 went through my wrist, it's not even turning red around  
21 it. It's just a little bit, but not even turning red  
22 around the outside.

23 JIM: Okay.

24 DAVID: Well, I'll let you talk to the nurses  
25 as soon as --

JIM: Well, yeah, later on. But let me ask

1 | you this. Have you lost your appetite or anything?

2 | Are you eating? Can you eat?

3 |           DAVID: Well, I can say continually sipping  
4 | on like orange juice or, or soup, chicken soup.

5 |           JIM: Okay. Well, that's good. You can get  
6 | something down?

7 |           DAVID: Oh, yeah.

8 |           JIM: Okay. And --

9 |           DAVID: It did not go into my colon.

10 |           JIM: Okay. Can -- have you had any vomiting  
11 | or --

12 |           DAVID: No. I just -- I've tried to sit up  
13 | which I can't do and also my hip -- like I say, it's  
14 | -- you know, being shot's a dramatic thing.

15 |           JIM: Yeah.

16 |           DAVID: It shocks the body and plus, you  
17 | know, like I said, it cracked or went through or did  
18 | something at the top part of my hip bone because it hit  
19 | me from the side in my belly, head over and hit the hip  
20 | and then went around and out kind of like towards my  
21 | rear.

22 |           JIM: Okay. Well, you know, I'm just  
23 | concerned.

24 |           DAVID: All right.

25 |           JIM: We've been through a lot yesterday and  
I know that Steve told you we talked earlier, but I

1 | guess I'm now where I want to move forward, you know,  
2 | with our plans we made yesterday and to kind of see if  
3 | we can facilitate that now.

4 |           DAVID: What about, what about now -- Robert  
5 | now?

6 |           JIM: Well --

7 |           DAVID: I would definitely like to talk to  
8 | that young man.

9 |           JIM: Okay. Well, I think he -- I don't  
10 | think he's in town, but I told Steve I'd check. But I  
11 | can give him a message.

12 |           DAVID: Tell him to give us a call because,  
13 | like I say, I want to ask him if he's, if he's afraid  
14 | that's going to have to face what I showed him out of  
15 | that book.

16 |           JIM: Well, well, if you just -- I'll give  
17 | him that message. Why don't you let me pass it on?

18 |           DAVID: Well, tell him to give me a call.

19 |           JIM: Well, I'll see what I can do. I'll  
20 | check on it.

21 |           DAVID: Okay.

22 |           JIM: Okay?

23 |           DAVID: Now, you're talking about going  
24 | before a judiciary, right?

25 |           JIM: Right.

          DAVID: Okay. Now, let me take you to John

1 18. There's a record of it. All right?

2 JIM: David --

3 DAVID: You answer me in regards to how you  
4 think this means. All right?

5 JIM: Hey, David --

6 DAVID: Go ahead.

7 JIM: -- can we, can we talk about the  
8 arrangements?

9 DAVID: Can we talk about God?

10 JIM: Okay.

11 DAVID: Now, can we talk about something that  
12 I am willing to die for or live for? It's your choice.

13 JIM: Okay. Go ahead.

14 DAVID: You don't know me from the man in the  
15 moon. Nobody does. I have never told anybody that I  
16 was Christ or Jesus. That's not how this message  
17 works. The way the doctrine works --

18 JIM: Okay. I'm listening.

19 DAVID: The way the -- let me explain.

20 JIM: Okay.

21 DAVID: The way that your nation, the United  
22 States of America, works is that it puts on its  
23 currency In God We Trust. Now, on the one dollar bill  
24 you have a pyramid there.

25 JIM: Okay.

DAVID: Now, let me tell you the God of Egypt

1 | was not the God of Moses. Now, it has another symbol.  
2 | It's got the illuminite (phonetic). Now, if you knew  
3 | anything about the trilaterus (phonetic) of the  
4 | illuminite, how far it goes back in time --

5 |         JIM: Right.

6 |         DAVID: -- you see, you would know that even  
7 | that inspiration is not the God of Moses. And then  
8 | there is also a star of stars revolving around the Star  
9 | of David. Now, that even itself is not the God of  
10 | David. Now, the prophecies do talk about the God of  
11 | David and the Star of David, but it's not in a sign or  
12 | a symbol. It's not in a picture. Anything that we  
13 | have in pictures made by the hands of men is not the  
14 | truth symbol of God. Now, so we have to find out, Jim,  
15 | right now --

16 |         JIM: Okay. I'm listening.

17 |         DAVID: -- which God we believe in. Do we  
18 | believe in the God of Moses? Do we?

19 |         JIM: Yeah, absolutely.

20 |         DAVID: Well, then how come, how come out of  
21 | almost three million Israelites that came out of Israel  
22 | only two of the original adults made it to the Promised  
23 | Land?

24 |         JIM: You're talking about on the Ark, Noah's  
25 | Ark?

       DAVID: No. I'm talking about --

1 JIM: Oh, the two original.

2 DAVID: I'm talking about Joshua and Caleb.

3 JIM: Oh, I see. Um-hum.

4 DAVID: Because Hebrews -- Paul, which I  
5 explained to you, when it came down to works, they  
6 really did not believe God. They were too busy trying  
7 to do their own thing under the garment, false garment,  
8 of doing God's thing. Now, so we're supposed to try  
9 the spirits. Let's just go to the New Testament.

10 JIM: Okay.

11 DAVID: People who believe in Jesus today  
12 fail to understand that Matthew, Mark, Luke and John  
13 have clearly written that no matter how many miracles  
14 Christ did, yet they would not believe on him. Even  
15 his own original twelve forsook him.

16 JIM: Um-hum. That's true.

17 DAVID: Now, let's get real here for a  
18 second.

19 JIM: You're exactly right on that. I  
20 understand that.

21 DAVID: Matthew, Mark, Luke and John makes it  
22 clear. So in the book of John, you know, all the  
23 letters that are printed red, you know?

24 JIM: Right.

25 DAVID: Statements such as I spake openly  
unto the world. I always taught in the synagogue and

1 | in the temple where the Jews always resort and in  
2 | secret have I said nothing. Why asketh thou me? Ask  
3 | those which have heard me what I have said unto them.  
4 | Behold, they know what I've said. Now, if Robert  
5 | Gonzalez had come into my home and had sit down and had  
6 | remained sitting down and had been honest, I would have  
7 | told him everything and showed him everything about me.  
8 | I have never since Day One hidden or withheld anything  
9 | from a mind that can sit and ask questions and learn  
10 | with the book opened. Now, if you ask me --

11 |           JIM: I agree.

12 |           DAVID: If you ask me a direct question just  
13 | to pacify your curiosity in an evil manner, then I will  
14 | not say anything to you.

15 |           JIM: Well, what do you mean by that?

16 |           DAVID: I am saying that if you read Matthew,  
17 | Mark, Luke and John, you would see that the daily  
18 | continual process of the Sanhedrim and the Pharisees  
19 | was to always entangle Christ in his talk, always  
20 | trying to condemn him in his talk, to get him on  
21 | something, to get him on something. Now, if there is a  
22 | God, the same God of Moses and Christ, then we begin to  
23 | see that God is showing mercy to the Jews and the  
24 | Gentiles for a reason. Why? Well, to make a point.  
25 | The point is, is that --

          JIM: Oh, I'm sorry. Go ahead.

1           DAVID: The point is, is that if you do give  
2 mercy, Isaiah 26 says let favor be showed to the  
3 wicked, yet they will not learn righteousness.

4           JIM: Right.

5           DAVID: They kill themselves. You see, in  
6 the New Testament the punishments are not less, but  
7 they're greater. God does not execute judgment on the  
8 ungodly immediately, so pride and arrogancy, self-will  
9 begins to grow and grow and grow in man until finally  
10 he thinks in his own mind, in his own perceptions of  
11 the right ways of God. Jeremiah and all the prophets  
12 already spoke against this. Like in Jeremiah 16 when  
13 it talks about the Jews and says you have been worse  
14 than your fathers in that you walk everyone after the  
15 imagination of his own heart.

16          JIM: Right.

17          DAVID: Now, did Christ choose twelve? Did  
18 not one betray him --

19          JIM: Yeah. That's right.

20          DAVID: -- with a kiss?

21          JIM: Yeah, um-hum. That's right.

22          DAVID: Okay.

23          JIM: Judas, right?

24          DAVID: Judas, right. You know, that's what  
25 Robert has done, too, you know.

          JIM: I understand that. I can see that. I

1 | understand that. I know what you're telling me.

2 |           DAVID: Okay. Now, did the disciples forsake  
3 | Christ when it came right down to the nitty-gritty?

4 |           JIM: Well, wasn't it Peter at the gate?

5 |           DAVID: Yeah. Peter denied him three times  
6 | like Christ had foretold, right?

7 |           JIM: Right. Right.

8 |           DAVID: And the others ran against  
9 | Gethsemane.

10 |           JIM: Um-hum.

11 |           DAVID: Okay. So Christ --

12 |           JIM: But --

13 |           DAVID: -- Christ is placed in the  
14 | jurisdiction of Pilot, right?

15 |           JIM: He went to the, to the court.

16 |           DAVID: Okay. And Pilate told him, he says,  
17 | hey, take him and judge him according to your laws.  
18 | The Jews, therefore, said unto him it's not lawful for  
19 | us to put any man to death. Hey, it's not a matter of  
20 | judgment. It's a matter of executing judgment, isn't  
21 | it?

22 |           JIM: Um-hum.

23 |           DAVID: You know, they're telling, they're  
24 | telling Rome that we did not have our political law of  
25 | which we originally had to execute capital punishment  
   | on a man.

1 JIM: Um-hum.

2 DAVID: So what takes place is that the --  
3 the Jews, therefore, said unto him it's -- death, that  
4 the -- of Christ may be fulfilled which he spake  
5 signifying that he should die, which is the crucifixion  
6 which was the means of capital punishment for the  
7 Romans.

8 JIM: Right.

9 DAVID: Then Pilate entered into the judgment  
10 hall again and called Jesus and said unto him art thou  
11 the king of the Jews, which you know in a political  
12 statement that would be treason, wouldn't it?

13 JIM: Right.

14 DAVID: Jews were actually Romans at this  
15 time, weren't they?

16 JIM: That's true but, David, let me ask you  
17 this. Wouldn't it -- wouldn't the process have to be  
18 the courtroom and maybe the, the -- an acquittal and  
19 then -- or some situation like that, and wasn't it -- I  
20 remember Barrabas and how that all changed, you know.  
21 I don't know. It's confusing to me.

22 DAVID: Well, here's the thing. Well, here's  
23 the thing. It says right here. See, Jesus is under  
24 observation with Pilate now. Pilate's trying to figure  
25 him out, right?

JIM: Right.

1               DAVID: Okay. Jesus answered --

2               JIM: But it's a court. It's a court.

3               DAVID: Well, not yet. In those days, in  
4 those days even Rome, closer to a democracy of our  
5 time, it was in the hands of one or two rulers to  
6 decide a man's fate, and Pilate just had that kind of  
7 power.

8               JIM: I know you're unhappy with Robert, but  
9 --

10              DAVID: No, no. I'm not. I feel sorry for  
11 Robert.

12              JIM: But don't allow his deceit to affect  
13 the trust between you and I.

14              DAVID: I'm not. That's why we're reading  
15 this, isn't it?

16              JIM: That's right, and isn't it true that --  
17 I mean, even in Jesus' time that he trust -- he had  
18 trusted friends and he had close confidants in his last  
19 days? I mean, we do.

20              DAVID: Well, let's finish this. Jesus  
21 answered him -- did you say this thing of yourself or  
22 did someone else tell you vis-a-vis?

23              JIM: No. I'm saying that. I was raised as  
24 a Christian. I was an altar boy.

25              DAVID: But you know --

              JIM: I'm telling you. I know this.

1           DAVID: Okay. Did you know that --

2           JIM: Didn't he forgive, didn't he forgive?  
3 Didn't Jesus forgive?

4           DAVID: Okay. What's an altar boy?

5           JIM: What's an altar boy?

6           DAVID: Tell me what an altar boy is.

7           JIM: It's a little boy who goes to church  
8 and helps the -- at the altar.

9           DAVID: Hmmm.

10          JIM: You don't know what -- you know what  
11 that is.

12          DAVID: Oh, yeah, I know what it is. It's a  
13 part of the Catholic tradition.

14          JIM: Um-hum.

15          DAVID: If you had read Hebrews, if you'd  
16 read Corinthians and Ephesians, if you'd read the  
17 Bible, you'd find out that the Christian church, they  
18 did away with all the implements of the sanctuary in  
19 regards to the literal implements, and they were  
20 directed to always have their --

TAPE # 26

3/3/93

1           DAVID: -- in the other world, and through  
2 this means of the spirit of prophecy, they would be  
3 shown things about Christ and the heavenly sanctuary.

4           JIM: I understand.

5           DAVID: Now in the heavenly sanctuary,  
6 Christ's suppose to be, in the last day, the mediator  
7 of the new testament.

8           JIM: But they don't --

9           DAVID: But, the Roman Catholic Church, which  
10 was Roman, just as Daniel the prophet foretold, and  
11 Christ in Matthew 23 foretold, when you shall see the  
12 Abomination of Desolation spoken of by Daniel the  
13 prophet, he warned them of something.

14           JIM: David, you're a man of your word --

15           DAVID: Look, I am a man of the word.

16           JIM: And only through a public airing, like  
17 a court, can these words get out. Did you see that  
18 press conference? The interest of the world there? I  
19 mean, did you see how many reporters --

20           DAVID: Do you see a God set on the throne?

21           JIM: Yes.

22           DAVID: Okay.

23           JIM: Didn't you see the interest your, in  
24 you?

25           DAVID: Did you see the, did you see the lamb  
take the book?

1 JIM: I don't know what you mean by that.

2 DAVID: Did you see in prophecy that some  
3 day, after John's day there will be a literal event  
4 that will take place in heaven, and you are suppose to  
5 see and be forewarned that in that event, Christ, a  
6 king of kings and a lord of lords, is to take a book  
7 from his father. You are without excuse, Jim. You and  
8 everybody else in this world who's been privileged to  
9 have a Bible, and I am not afraid for myself --

10 JIM: Well David, I --

11 DAVID: Listen, --

12 JIM: I believe you.

13 DAVID: I am afraid for the most precious  
14 thing, in my purpose of existence, I'm afraid for you  
15 and all of your little teeny tiny G.I. Joe's around  
16 here, all your little small, little, rinky dinky  
17 helicopters, your small little rinky dinky little land  
18 rovers, your small little rinky dinky tanks --

19 JIM: I'm sorry, hold on David. What? What?  
20 Okay, all right. Hold on, I'm sorry, hold on. Okay,  
21 I'm sorry. I understand that, and I believe you.

22 DAVID: Now, --

23 JIM: And yesterday --

24 DAVID: Man --

25 JIM: -- you let me down yesterday, a little,  
David, I'm telling you, you let me down, I had a hard

1 night.

2 DAVID: Well, that may be so. I did let you  
3 down. But of course, we know --

4 JIM: Can I tell you something, my own  
5 feelings?

6 DAVID: Go ahead.

7 JIM: Last night after I left I, I had to  
8 walk around for two or three hours by myself, I was  
9 pretty, pretty devastated --

10 DAVID: Had to think a bit.

11 JIM: Huh?

12 DAVID: Had to think a bit.

13 JIM: Yeah, I had to think, I really was, I  
14 mean, you know, you get that way sometimes.

15 DAVID: I mean, you know, I mean, Jim, I  
16 mean --

17 JIM: I just felt --

18 DAVID: You've done so much work and  
19 everything and we've made so many progressive, you  
20 know --

21 JIM: I know, and, you know --

22 DAVID: And you just know that they're going  
23 to ransack us and put us in a prison and, and, you  
24 know, just --

25 JIM: I think you, I think you're going to  
get your day in court and I think you --

1                   DAVID: I've been in court before.

2                   JIM: -- and, I know, and you've come out  
3 before, but the thing is, your side is going to be hurt  
4 if you come out, and you will come out, and yesterday  
5 you gave your word, and it wasn't a hurdle for me,  
6 really, and I couldn't sleep and I was kind of worried  
7 about the whole thing, and I know that you got a  
8 message to wait, and I understand that as much as I can  
9 understand that David, I understand it, and I was just  
10 wanting to -- I was so hurt that, you know, I was  
11 hoping that your solemn promise yesterday was going to  
12 be renewed when you did your prayers and your, your  
13 visitation with the Almighty or -- and don't get me  
14 wrong, you know, I'm just trying to explain to you my  
15 feelings. I can't talk about those things like you  
16 can.

17                  DAVID: I understand.

18                  JIM: I'm not a theologian, David, I'm just a  
19 policeman, but I was hoping that maybe, you know, this  
20 would change today and, although you didn't do it, you  
21 were still a man of your word and frankly, I --

22                  DAVID: I still have full intentions of doing  
23 what I said, but the thing of it is, you got to  
24 remember, I have a headquarters too.

25                  JIM: I understand. We broadcast --

                  DAVID: The problem is, the problem is, is

1 | that what you were telling me and what is actually  
2 | being planned is two different things, now, so here's  
3 | the case --

4 |           JIM: Well, where do you think --

5 |           DAVID: The case is, is that as long as I am  
6 | able to, I am to remain, and God has strengthened me,  
7 | my pulse and everything went up, and God has  
8 | strengthened me for this one last thing, for one last  
9 | opportunity, and that is for you and all of the agents  
10 | and all of these individuals who are risking their, not  
11 | just their carnal lives, but the lives hereafter, you  
12 | know, and you think, you know, we're talking about a  
13 | thing of life here.

14 |           JIM: I understand that.

15 |           DAVID: Now, remember, there's, there is in  
16 | scripture and in theology, there is a life and then  
17 | there is the eternal life.

18 |           JIM: Right.

19 |           DAVID: One's probationary. Okay. Now, the  
20 | key is this, I was telling Henry last night that God is  
21 | not as primitive as people think, you know, we're  
22 | talking about sophisticated equipment and all that.  
23 | Well, anyway, I was trying to explain to him the Book  
24 | of Nahum. Now in that plan, in the Book of Nahum, it  
25 | talks about Messiah, although Messiah was never in a  
   | situation revolving around the prophecies of Nahum.

1 Now, just as in the prophecies Zephaniah, or Habakkuk,  
2 it's totally different than the Messiah of Isaiah.

3 JIM: All right.

4 DAVID: But of course, we know that Christ  
5 promises in Matthew 24, that when he comes it will be  
6 like lightning from the east shines to the west, that  
7 either he's saying it will be so plain everybody will  
8 know it, or he says it could be like a light that  
9 shines to the east to the west. But of course, what  
10 we're dealing with is we're dealing with a carcass  
11 there too, that's a dead body.

12 JIM: Um-hum.

13 DAVID: And we're dealing with something to  
14 do with eagles being gathered together. Now, whether  
15 we come out literal eagles or whether we're talking  
16 about a meaning referring to those who gathered  
17 together with this carcass, individuals, we should, we  
18 should know. Well, in one part of Isaiah's prophecy,  
19 as I said before, Isaiah said when the Lord comes,  
20 he'll come with a strong hand.

21 Now you have documents that are in your office,  
22 and these documents clarify and state the wishes and  
23 the wills of those who are above you. All right, now,  
24 when the ATF agents came in here, they had a document,  
25 supposedly, you know, which said something about me  
being under arrest or something. I mean, they never

1 got that out, they never were, you know, was made very  
2 clear. It wasn't a procedure of coming and approaching  
3 to someone and as far --

4 JIM: I understand.

5 DAVID: -- and as far as this other baloney,  
6 Robert knows that I jog every day, all the way up and  
7 down this road. You all could have arrested me any day  
8 jogging up and down the road. I mean, you know, this  
9 stuff --

10 JIM: I understand.

11 DAVID: -- is going to be brought out. Now,  
12 here's the point.

13 JIM: Well, you should bring it out, I think  
14 that's good. I want you to bring it out.

15 DAVID: That's why I want to talk to Robert,  
16 I want to ask him. You know, why didn't he just, you  
17 know, just when I was jogging out there on the road,  
18 you know, and, like I say, you ain't carrying no  
19 weapons when you're jogging are you?

20 JIM: Right.

21 DAVID: You know? I mean, Robert and them  
22 do. They were doing some jogging too.

23 JIM: Right.

24 DAVID: But when you carry a fanny pack, what  
25 do you got?

JIM: Right.

1               DAVID: Okay, so the thing of it is, that  
2 would have been a whole lot better, Jim.

3               JIM: Well, I understand that, and when you  
4 come out --

5               DAVID: Okay?

6               JIM: -- when you come out, you can confront  
7 Robert and talk to him about that.

8               DAVID: Yeah, we know that's going to happen.  
9 Now, here's the thing.

10              JIM: Well, why not? I mean, you can talk to  
11 him.

12              DAVID: Well, like I say, get him on the  
13 phone for me as soon as you can. I would like to --

14              JIM: You know what I'm starting to think,  
15 David, I'm starting to think, this is unusual for me,  
16 you know, bear with me, but I'm, I'm starting to think  
17 that when you, when you walk out with your people that  
18 the authorities, I mean, somehow are unknowingly  
19 helping you fulfill some prophecy. That's what I see  
20 happening.

21              DAVID: Well, Jim --

22              JIM: I see that, your walking out as --

23              DAVID: -- let's -- you get your Bible out  
24 there. Let's take a look at a couple of prophecies,  
25 honestly. Bear with this fool just a little longer and  
let's just --

1 JIM: David, you know I don't know the  
2 scriptures like you.

3 DAVID: No, no, no, no, hey, you've got to  
4 open your book and take a look and see what the guy's  
5 saying. Maybe the prophecies are a bunch of nuts, or  
6 maybe you're just lying --

7 JIM: No, no.

8 DAVID: Maybe you have no faith at all in the  
9 Bible.

10 JIM: No, but aren't the prophets the ones  
11 who clarify the word for the people who don't  
12 understand it and bring the message?

13 DAVID: Aren't the prophets the one who  
14 testified before what they were told of God regarding  
15 the coming of the events of Messiah?

16 JIM: Right.

17 DAVID: In other words, how would it be, what  
18 it would be like when Messiah would appear.

19 JIM: But, but, what I'm saying, David,  
20 didn't they explain things to people so they'd  
21 understand, I mean, you know I've never lied to you.  
22 You know that's true. I have called you and told you  
23 everything that was happening and I've never lied to  
24 you. If I didn't know, I said, "I don't know." I  
25 haven't tried to fool you on any -- you know that's  
true. I've told you I don't know the scriptures.

1           DAVID: Exactly, so --

2           JIM: I've told, I've told you that  
3 everything, whatever we've said, what I said or  
4 Henry --

5           DAVID: Catholics don't know the Bible.

6           JIM: Well, I'm not saying that.

7           DAVID: It's not promoted to know scriptures  
8 in Catholicism. All you're to learn is your catechism.

9           JIM: I see.

10          DAVID: The rules of the church.

11          JIM: You know it, David. You know. I know  
12 you know it. You've told me about it.

13          DAVID: Oh, Jim.

14          JIM: I, hey, I understand that. I really --  
15 How can we come to an agreement and how can we get back  
16 to where we were yesterday and start moving some of the  
17 people --

18          DAVID: Well, like I said, you deal with your  
19 bosses, I'm dealing with my father now.

20          JIM: All right.

21          DAVID: You all can go ahead and laugh --

22          JIM: I'm not laughing, David.

23          DAVID: -- and stand back and ridicule and  
24 speculate over where we're coming from, but it's like  
25 this, this is the United States of America, and we may  
be just chalked up as one more cult group.

1 JIM: Not to me you're not.

2 DAVID: But there are seven seals and as long  
3 as you do not permit me to show you --

4 JIM: I did permit you. We let you play your  
5 tape for an hour on a national network.

6 DAVID: Wait a minute, wait a minute, wait a  
7 minute, wait a minute. What did you learn from that  
8 tape?

9 JIM: One thing I learned is you let me down,  
10 you didn't keep your word.

11 DAVID: You weren't listening to the truth  
12 anyway.

13 JIM: Well, David, I'm trying to understand,  
14 and I'm trying to --

15 DAVID: You're trying to understand why our  
16 actions have been so dramatic in regards to your  
17 systematic, bureaucratic system of government.

18 JIM: Okay.

19 DAVID: We have gone against you. The big  
20 guy, the little guy's come up and pushed at you. We  
21 told you, you're not going to come here and push your  
22 little ATF butt around.

23 JIM: Right.

24 DAVID: We are Americans too.

25 JIM: All right, I understand that.

DAVID: We have bothered no one. We will

1 | serve and believe God and contend on a foundation of  
2 | doctrine, in the fear of God, as light opens and as  
3 | doctrine is properly weighed and measured, being  
4 | systematically harmonized with scripture, text,  
5 | chapter, book, then we develop an infallible,  
6 | conclusive picture of what God's will is. Not just a  
7 | little verse here, not just a little verse there. No.  
8 | The content must be complete. Now, the very last  
9 | doctrine is not going to be like Martin Luther's  
10 | doctrine.

11 |           JIM: All right.

12 |           DAVID: Martin Luther stood up and put his  
13 | finger right in the face of your church. But remember,  
14 | the Roman Catholic Church use to rule Europe. The  
15 | Pontiff was the highest form of power known to the  
16 | governments of man. Do you remember that?

17 |           JIM: Um-hum, right.

18 |           DAVID: Now, when Martin Luther --

19 |           JIM: I understand.

20 |           DAVID: -- was, was by his little self, he  
21 | discovered in the scriptures, according to Timothy's  
22 | writings, Paul to Timothy, --

23 |           JIM: That's my brother's name.

24 |           DAVID: Yeah, well, he learned by -- Martin  
25 | Luther learned by reading the Bible that Paul said that  
the Spirit told him that in later days there'd be some

1 | who depart from the faith, giving into seducing spirits  
2 | and doctrines of devils forbidding to marry.

3 |           JIM: Right.

4 |           DAVID: And commanding to abstain from meats  
5 | which God has blessed. Now, Luther knew point blank  
6 | that the Papacy taught celibacy, taught celibacy for  
7 | its priests. Well, we began, he began a search and  
8 | research and found other documents according to the new  
9 | covenant. So he married Katherine Van Voyn (Phonetic)  
10 | in 1525. This man, by being enlightened with the words  
11 | of God, the words of the prophets, he went ahead and he  
12 | took a step against his traditional faith as a Catholic  
13 | and began to stand more on the documents that the  
14 | Catholics said they believed, but yet they did not  
15 | teach, nor did they do.

16 |           JIM: You're right about that.

17 |           DAVID: Now --

18 |           JIM: And I know you're right about that.

19 |           DAVID: So, in 1530, he developed enough  
20 | points from scripture to prove that the Papacy was not  
21 | founded on a scriptural foundation and that many of its  
22 | laws and many of its edicts were contrary to the  
23 | foundation established in the new testament.

24 |           JIM: Right. I understand.

25 |           DAVID: So, when he nailed his thesis up,  
people began to read and then all hell broke out.

1 JIM: Um-hum.

2 DAVID: Do you know how many people died  
3 because of Martin Luther's doctrine?

4 JIM: I don't know.

5 DAVID: Millions. Millions were considered  
6 cultic, demonic, heretic; they were told they were  
7 proscribed, they were told to recant by the -- Scott,  
8 no, no, don't do that.

9 JIM: You okay David?

10 DAVID: Yeah, I'm all right. Now, so you  
11 see --

12 JIM: I, I, --

13 DAVID: The, the government of that day was  
14 the Roman Catholic Church and Martin Luther was the  
15 cult leader. He was the devil. He was the demon. He  
16 was the idiot and he was the fool, and he was told to  
17 recant over and over at the risk of his life. But do  
18 you know what happened? There were certain individuals  
19 that were lawyers, certain individuals that were kings  
20 and they began to listen to this man, and they began to  
21 think, for once, on their own. And so what happened  
22 is, is that, as they began to think, Martin Luther's  
23 life was preserved.

24 JIM: Um-hum.

25 DAVID: But he was at least allowed time to  
really lay out his complete thesis. Okay. Nonetheless

1 | though, there were people that were beginning to join  
2 | the Lutheran Church, as I said before, the Jesuit  
3 | priesthood was developed, which was the Roman Catholics  
4 | military, and they went out and, like I said, the blood  
5 | flowed. But the same as when John Knox came in and  
6 | started the Presbyterian, or Wesley with the Methodist,  
7 | or Campbell with the Baptist. Each of these reformers  
8 | were men who asked an honest question in their day in  
9 | regards to scripture that many organizations were not  
10 | adhering to. So this is how we came out of the dark  
11 | ages.

12 |               JIM: All right.

13 |               DAVID: This is how we came out of the  
14 | covering of the minds of men from the Papacy.

15 |               JIM: Um-hum.

16 |               DAVID: Now, but the dark ages was foretold  
17 | by Christ already. The prophets had already been told  
18 | of the abomination that would make desolate. When men  
19 | are turned away from God, and his laws, and his  
20 | precepts, that infidelity and immorality increase to  
21 | such high levels men become worse than base beast of  
22 | the field. Their passions, their pride, their  
23 | arrogancies (sic), all these things overcome them and  
24 | they do not know how to properly rationalize in the  
25 | fear of God. Now, if you don't fear God, you cannot  
properly respect nor love man.

1 JIM: I agree with that.

2 DAVID: Okay, now, here's the deal. The  
3 world has become ultimately corrupted in that when the  
4 churches are infiltrated by a spirit so contrary to the  
5 spirit of Christ, that men will stand in pious position  
6 of religious leadership, and they know nothing about  
7 the real spirit of sacred faith in God based upon  
8 nothing but God's word, then they try themselves to  
9 become the oracle of God. They give their opinions  
10 instead of doctrine.

11 JIM: You're talking about, David, like those  
12 ministers?

13 DAVID: I'm talking about, like, the minister  
14 -- like the Pope, for instance.

15 JIM: Um-hum, um-hum.

16 DAVID: Claimed such a high piety with God,  
17 claims to be vicegerent of God --

18 JIM: Um-hum.

19 DAVID: And yet, hey, where is the truth? I  
20 mean, you know, the church is not just a bunch of  
21 prayers.

22 JIM: Oh, I agree with you.

23 DAVID: You know, God wants --

24 JIM: It's what's inside.

25 DAVID: -- us to listen to him.

JIM: It's what's inside, I understand.

1 God also, yeah.

2 DAVID: God is a truth. God is a word.

3 And --

4 JIM: And God is as good as his word.

5 DAVID: Well, here's the thing. When we see  
6 that Christ was taken back to heaven, a lot of the  
7 prophecies and promises did not come to pass. That's  
8 why in Acts Chapter 1, as his disciples walked with  
9 him, they said, "Lord, is it now at this time that thou  
10 will restore the kingdom again to Israel?" The hope of  
11 Israel has been to be freed from amongst the gentile  
12 nations that God has allowed to rule over his people.

13 JIM: Um-hum.

14 DAVID: Because the truth of God and the laws  
15 of men do not harmonize in every degree. So that when  
16 the laws of men direct men to go contrary to the laws  
17 of God, men must take their stand to either be with God  
18 and God's law, or with man and man's law. That's why,  
19 in order to receive the seal of the living God, you've  
20 got to know what God's will is. You've got to  
21 understand his law, the nature of his law, and his  
22 will. Okay, now, if a person would turn from that and  
23 become roughly ignorant over these issues, then what  
24 will happen is, is that prophecy, which is God  
25 foretelling of future events, how they shall come to  
pass and what they shall involve, will be fulfilled

1 without these individuals. And that's why the bible  
2 warns about the beast and its image. God has declared  
3 that the nations of the earth that will rule over  
4 Israel are limited. The time for Israel's captivity  
5 has been preordained and limited. That's why when you  
6 read Daniel 2, and Daniel 7, Christ talks about the  
7 abomination of making desolate spoken by the Daniel,  
8 Prophet Daniel --

9 JIM: Um-hum, okay.

10 DAVID: Daniel tells you that the empires  
11 will consecutively as so: Babylon will first rule over  
12 Judea, of which they have.

13 JIM: Um-hum.

14 DAVID: Then Nebuchadnezzar, that was the  
15 King of Babylon. And then the Medes and Persians,  
16 Isaiah foretold, would overthrow Babylon and rule over  
17 Judea. And then Grecia was to come in and overthrow  
18 Medes Persia, but it was just split up into four parts  
19 because of the four generals. See, Alexander  
20 originally had four generals and he died without an  
21 heir.

22 JIM: Um-hum, I understand.

23 DAVID: So, what happens is, out of the  
24 northern region of this empire, there rised up another  
25 empire which is to again, we established all of the  
other ones back together, and we know what that one

1 | was, it was Rome.

2 | JIM: Um-hum.

3 | DAVID: Now Rome is not suppose to actually  
4 | fall in one aspect, because the Prophet Daniel says  
5 | that there will rise up a power in Rome that will speak  
6 | against the most high God and change God's times and  
7 | God's laws and it will rule over the world.

8 | JIM: Um-hum.

9 | DAVID: Now, that's where you get your  
10 | universal or Rome-- Catholic means universal, right?

11 | JIM: Right.

12 | DAVID: So Roman Catholicism becomes a  
13 | religion, doesn't it?

14 | JIM: Um-hum.

15 | DAVID: See, the nation was very in-depth in  
16 | regards to spiritualism such as Zeus and Neptune,  
17 | Saturn. They believe in the God's and they just simply  
18 | incorporated as Hezeus Christos (Phonetic), which is a  
19 | greek War God, Hezeus, and they changed the name of the  
20 | Biblical messiah, Joshua (Phonetic), to a greek War  
21 | God, Hezeus, which is a short -- long form of Zeus,  
22 | Christos means -- Zeus, --

23 | JIM: I understand.

24 | DAVID: -- who is a War God.

25 | JIM: David, I understand, and I appreciate  
what you're telling me.

1           DAVID: And you were an altar boy to this  
2 system.

3           JIM: Well --

4           DAVID: Being ignorant of what system you are  
5 really under, not realizing what God has forewarned  
6 about this power. You were ignorantly involved, which  
7 you cannot be condemned for. Why Christ died on the  
8 Cross.

9           JIM: I was just a little boy.

10          DAVID: Yeah, see, so Christ died on the  
11 cross so that people are forgiven based upon what they  
12 know or don't know, you see?

13          JIM: All right.

14          DAVID: In other words, under the gospel of  
15 the new covenant, let's say a woman was a nun, okay,  
16 and that's all she knew. All she knew is the  
17 catechism. All she knew is what she was taught and she  
18 never really had an opportunity or chance to understand  
19 the scriptures.

20          JIM: Um-hum.

21          DAVID: Well, then she'd be judged based on  
22 how good a nun she was. That's the way it's in the  
23 Judgement of Christ. As you receive Christ therefore  
24 walk ye in him, grounded and rooted, built up in love  
25 and to the full acknowledgement of the understanding of  
the faith taught best. Okay, are you on my line? Oh,

1 | okay, we're back.

2 |           JIM: That's just me. I bumped it.

3 |           DAVID: Okay, now. So where we're at today,  
4 | we have the Lutherans, and they've got a little bit  
5 | better light on the subject of Christ than the  
6 | Catholics do.

7 |           JIM: Well, what about the Christians?

8 |           DAVID: Well, now, see, here's the deal. In  
9 | the days of the Lutherans and the days of the  
10 | Catholics, they were fighting every day --

11 |           JIM: Right.

12 |           DAVID: -- over doctrine. Truth meant  
13 | something back then.

14 |           JIM: Where did the Christian's come in?

15 |           DAVID: Well, what happens is if you're  
16 | talking about the original followers of Messiah, then  
17 | you're talking about Matthew, Mark, Luke and John, and  
18 | you're talking about, you know, the Apostles, yeah,  
19 | where did they come in at?

20 |           JIM: Yeah, well --

21 |           DAVID: That was before the Roman Catholic  
22 | Church wasn't it?

23 |           JIM: Right.

24 |           DAVID: Well then, why don't we back up back  
25 | then, okay?

          JIM: Um-hum.

1           DAVID: Okay, so let's see what they believed  
2 in. Let's John, on the Isle of Patmos was a prisoner  
3 to Rome because of preaching Christ the King, right?

4           JIM: Right.

5           DAVID: That's treason, isn't it?

6           JIM: Um-hum.

7           DAVID: Okay, and he had a vision and he  
8 wrote to the seven churches of Asia, which were the  
9 Christian churches amongst the gentiles, and he said  
10 that after these things, after these counsels are  
11 given, sometime in the future, the Spirit's going to  
12 show us what must shortly be hereafter. And John said  
13 something about in the future, there's going to be a  
14 God who sits on the throne in heaven. Okay? And that  
15 God's going to have a book with seven seals.

16          JIM: Um-hum, okay.

17          DAVID: And that the lamb is going to take  
18 it, open it up and that the lamb is going to come with  
19 his reward and give it to every man.

20          JIM: Okay.

21          DAVID: Which is the knowledge of the seven  
22 seals. And that will be the salvation for the world.

23          JIM: I understand.

24          DAVID: Okay, now, let's see here. But I bet  
25 you the Papacy didn't really take John at his word,  
didn't they?

1 JIM: No, I guess not.

2 DAVID: Because they sure built up a lot of  
3 churches on earth, which Paul and all of them says we  
4 did not adorn our outward bodies, nor did we adorn the  
5 tabernacle on earth because Christ is sitting into a  
6 place not made by hands. We're suppose to keep our  
7 minds open just like the Prophecy says. God is a  
8 spirit, he is a truth and he is a light and he's got a  
9 word and he's got something to say and we're to know  
10 what it is, and that makes us living churches --

11 JIM: Um-hum.

12 DAVID: -- instead of having a big, old,  
13 nice, fancy, expensive building, we're suppose to have  
14 heads full of knowledge.

15 JIM: David, I, I understand that. I know  
16 you can speak of your religious views all day, and, and  
17 I think it's compelling and I appreciate it. How can  
18 you and I --

19 DAVID: Well, the thing of it is, why is it  
20 compelling?

21 JIM: How can you and I move forward though  
22 to --

23 DAVID: We are moving --

24 JIM: -- to resolve this situation?

25 DAVID: -- forward.

JIM: We are?

1           DAVID: Yeah, we are.

2           JIM: Okay, well, tell me where we are.

3           DAVID: Where we're at right now is I'm  
4 waiting just to see --

5           JIM: Okay, that's super. I believe you, I  
6 trust you.

7           DAVID: Well, you didn't let me finish.

8           JIM: Okay.

9           DAVID: You got your Bible there?

10          JIM: I'm sorry, no, I don't. I don't.

11          DAVID: You didn't bring it today?

12          JIM: No, I, there's, there was another guy  
13 here last night and I don't, don't see it here. But  
14 tell me, how can we -- tell me about waiting. What's  
15 going to happen? Tell me. Just be straight with me.

16          DAVID: Well, I'm, I'm trying to avoid  
17 something here.

18          JIM: Not, not scripture, David, I can't  
19 understand it.

20          DAVID: Well, if you can't understand it  
21 there's no reason for me to talk to you anymore, Jim.

22          JIM: Well, that's not true, I --

23          DAVID: It is true.

24          JIM: No.

25          DAVID: Otherwise we're just blowing wind.

          JIM: No, that's not true, David. We --

1           DAVID: Look, you do not respect my  
2 authority. You think you have me out-gunned. You  
3 think you have me out-numbered.

4           JIM: We know that's not true.

5           DAVID: Well, look, you don't know that's  
6 true. Maybe all I got here is a BB gun. I might just  
7 have one last bullet. I might have an atomic bomb  
8 here.

9           JIM: Let's not --

10          DAVID: You don't know that. You don't know  
11 whether I have all kinds of mines around the perimeter  
12 of this place. Yeah, you've been, you've been looking  
13 at me for eight months. How long have I been preparing  
14 for this?

15          JIM: Listen, I regret what happened. I wish  
16 in hindsight that this was handled a little bit  
17 differently, --

18          DAVID: Oh, I wish --

19          JIM: You know that.

20          DAVID: I wish that --

21          JIM: Wish, we could have talked before this  
22 started.

23          DAVID: Well, that would be a good thing to  
24 start at, but it's too late now, Jim, for that.

25          JIM: I understand, but the --

          DAVID: I do want Robert on the phone, if I

1 | might, because I want to talk to him just like I would  
2 | talk to a son of mine.

3 |           JIM: Okay, well why can't you tell me what's  
4 | going to happen next, after we wait a while? I mean,  
5 | is, is something going to happen inside?

6 |           DAVID: Well, I'm still going to send some  
7 | more kids out.

8 |           JIM: Okay, good.

9 |           DAVID: But here's the, here's the thing now.

10 |          JIM: All right.

11 |          DAVID: Well, I'll tell you what.

12 |          JIM: Can you do that?

13 |          DAVID: You get you, you get you a Bible, --

14 |          JIM: Can you --

15 |          DAVID: We'll bear with this fool just a  
16 | little longer --

17 |          JIM: Okay.

18 |          DAVID: -- and I'll give you a Bible study,  
19 | and then I'll send another kid out to you, okay? Fair  
20 | enough?

21 |          JIM: Well, wait just a second. Just one  
22 | child? I'd like to --

23 |          DAVID: Well, this one wants to go.

24 |          JIM: Oh, who, who is it, can you tell me?

25 |          DAVID: His name's Mark.

          JIM: Mark? Okay. How old is he?

1 DAVID: I think he's about ten.

2 JIM: Ten?

3 UNIDENTIFIED VOICE IN BACKGROUND: Twelve.

4 DAVID: Oh, he's twelve? Okay, he's twelve.

5 JIM: Twelve? There's nobody else wants to  
6 go, David?

7 DAVID: Well, not, no, not of the kids. I'm  
8 going at -- we're fixing to go down to a lot of the  
9 babies.

10 JIM: Well, you know, we know you've sent two  
11 and I just, we feel a little --

12 DAVID: Like I say, we're, we're kind of like  
13 at a mediation now.

14 JIM: Right.

15 DAVID: Like I said, you guys can come in at  
16 anytime you want --

17 JIM: We're not coming in.

18 DAVID: -- you can bang or can blow up --

19 JIM: No.

20 DAVID: -- or, you know, try your tear gas on  
21 us, you know, see if that works.

22 JIM: It's not happening. It's not  
23 happening. That's not happening. (To the background)  
24 Hey, get that stuff out of here. This guy's bringing  
25 boxes in here. I'm sorry. Hey, that's not going to  
happen. We're not coming in there. If I let you talk

1 to Robert, I mean, would that make you feel better?

2 Could we then get back to maybe --

3 DAVID: Well, I just want Robert --

4 JIM: -- you know, let somebody out?

5 DAVID: -- I just want to explain, you know  
6 -- well, I'm going to do that anyway, but I just want  
7 to explain to Robert that, you know, we could have had  
8 a good relationship.

9 JIM: Yeah, well, you know, if you have a  
10 message I'll send it to him.

11 DAVID: Why don't he give me a call? I want  
12 to talk to him on the phone.

13 JIM: Well, I don't think he's in town.

14 DAVID: Well, tell him to give me a call  
15 then. Call through somewhere or something.

16 JIM: Listen, on that, on that one child, I  
17 think it makes everybody more comfortable if two come  
18 out.

19 DAVID: Forget it! Now, Jim, let's get  
20 serious now.

21 JIM: Okay, I'm just trying to -- that's the  
22 way you wanted to do it before and I was just -- I want  
23 to do it the same way. I'm sorry. That's all I was  
24 going on.

25 DAVID: Oh, Jim, I've been praying for you so  
hard. You guys, you guys are just too smart for your

1 own britches.

2 JIM: David, we just want everybody to be  
3 safe.

4 DAVID: Look, there is no safety in this  
5 world right now. Remember how crazy Noah was? Yeah,  
6 I'm crazy, (makes noise), I'm crazy.

7 JIM: You're not crazy.

8 DAVID: Okay? Look, but let me tell you what  
9 I'm crazy about.

10 JIM: Um-hum. What?

11 DAVID: I'm crazy about the fact of how well  
12 the Prophet Zachariah foretold of a time when there  
13 would be four horses that would go to and fro through  
14 the earth and nobody would care. And you know, it's  
15 funny how those four horses, the same horses that  
16 revelation talks about as being a revelation of Jesus  
17 Christ, now you guys just do not care, but you're going  
18 to care for on that day --

19 JIM: I care. I care.

20 DAVID: No, you, come on, Jim, in that day  
21 God says, "I will bring down the haughtiness of men,  
22 and their prides should be laid low," and it says,  
23 "because they regard not the works of my hand."

24 JIM: Um-hum.

25 DAVID: In Jeremiah 16, you know what God's  
allowed happen to Jews?

1 JIM: Um-hum.

2 DAVID: They were slaughtered and everything.  
3 Given over to the hands of the wicked of the world.  
4 But God says, but afterwards, the tables will turn.

5 JIM: Um-hum.

6 DAVID: Now, have you ever heard of the  
7 remnant?

8 JIM: The what?

9 DAVID: The remnant.

10 JIM: To remnant? No.

11 DAVID: The last little group of anything is  
12 called a remnant.

13 JIM: Um-hum.

14 DAVID: Like remnant carpet.

15 JIM: Right, yeah, I understand.

16 DAVID: Okay. Well, the Bible talks about a  
17 later day of the little remnant. A little remnant that  
18 did not bow down to the beast or its image.

19 JIM: Right.

20 DAVID: Now, unless you know what the  
21 Prophets say about the remnant, you won't know what I  
22 believe.

23 JIM: Um-hum.

24 DAVID: Now, if you knew what it said, then  
25 you would know what I believe.

JIM: Um-hum, I see.

1               DAVID: And then you would understand what  
2 you must do --

3               JIM: Yeah.

4               DAVID: -- in order for me and you to become  
5 in perfect harmony.

6               JIM: I see. Well, can you tell me what that  
7 is?

8               DAVID: Well, like I said, you get your Bible  
9 out, give me a call, I'll give you the study and then I  
10 want to send you some puppies and Mark.

11              JIM: Puppies?

12              DAVID: You shot my, you shot my dog.

13              JIM: Oh, is that right?

14              DAVID: Yeah, my, my beautiful dog.

15              JIM: I'm sorry, I'm sorry. Okay, let's go  
16 forward with your plan like you would. You're going to  
17 send out the child and the dogs and then we'll do the  
18 scripture?

19              DAVID: Let's do the scripture first. You  
20 got your Bible around there anywhere?

21              JIM: That's not what you said though.

22              DAVID: That's what I said.

23              JIM: Well, okay.

24              DAVID: You got your Bible there anywhere?

25              JIM: I can get one in a few minutes.

              DAVID: Okay, well, look, I need to, my mouth

1 | is drying out --

2 | JIM: Okay.

3 | DAVID: -- I got to --

4 | JIM: Okay, let's take a break.

5 | DAVID: I'll tell you what --

6 | JIM: Listen, one thing I don't want you to  
7 | do, don't get mad at me. I'm just, you know --

8 | DAVID: I don't get, it's -- I'm never, I'm  
9 | not mad, I -- I don't know how to get mad. All my  
10 | life.

11 | JIM: You -

12 | DAVID: I just get sad, now, Psalms 2, it  
13 | says, "Kiss the son, lest he be angry." At least if  
14 | you're angry.

15 | JIM: Um-hum.

16 | DAVID: I don't have that -- I don't know how  
17 | to get mad.

18 | JIM: Right. I understand. I -- I mean --

19 | DAVID: (To background) Please Rach? I've  
20 | got to --

21 | JIM: Hey there, David, there's some vehicles  
22 | going to start moving --

23 | DAVID: All right.

24 | JIM: It's just shift change.

25 | DAVID: No problem.

JIM: Don't worry about it. And listen, I

1 know we're in a difficult situation, okay, but you've  
2 been, you've been straight and I'm trying to be  
3 straight.

4 DAVID: Have you ever thought about dying and  
5 going to hell, Jim?

6 JIM: Sure, everybody thinks about that.

7 DAVID: Why do you, why do you worry about  
8 going to hell for?

9 JIM: I don't want to.

10 DAVID: You worry about dying for your sins  
11 and being punished for all those naughty things you  
12 did?

13 JIM: I suppose, don't you?

14 DAVID: No, I don't. No, I don't.

15 JIM: Well, listen, let's take a break and  
16 get a drink and let's call back and work out -- is it  
17 Mark? Did you say Mark?

18 DAVID: Yeah, Mark.

19 JIM: And the, and the puppies, and let me  
20 set up to get the puppies cared for and one other thing  
21 I wanted to tell you is get that, I got that money over  
22 to the Human Services guys. I've taken care of that  
23 for you, you know, for the children.

24 DAVID: Yeah, maybe you can bring -- yeah,  
25 well we know, we know that they're not going to use  
that properly.

1 JIM: Well, I can't say, you know, but I  
2 think they will. They assured me they would, let's put  
3 it that way, because they assured me they would.

4 DAVID: They figure it's a donation to them,  
5 we know.

6 JIM: Well, I don't know what they've done  
7 before.

8 DAVID: Well tell them to send me a telephone  
9 then, and that cord --

10 JIM: Okay.

11 DAVID: -- so we don't have all this crazy --  
12 (To the background) Do we have one already opened Rach?

13 JIM: I'll try on the telephone. Hey, David?

14 DAVID: Sir?

15 JIM: What time do you want to hook back up?

16 DAVID: Oh, well, as soon as you get the  
17 Bible and all that down.

18 JIM: Okay, just a second.

19 DAVID: Give me a buzz back.

20 JIM: Okay, it's like, 1:30, how about, about  
21 a half hour or so?

22 DAVID: Okay, that would be fine.

23 JIM: Okay, just rest easy, huh?

24 DAVID: Yeah.

25 JIM: I'll talk to you. Okay?

DAVID: All right.

1 JIM: All right, bye.

2 DAVID: (To the background) Here Rach.
